Desktop

Laptop / desktop screens (1440 × 900)

01 Login

Desktop

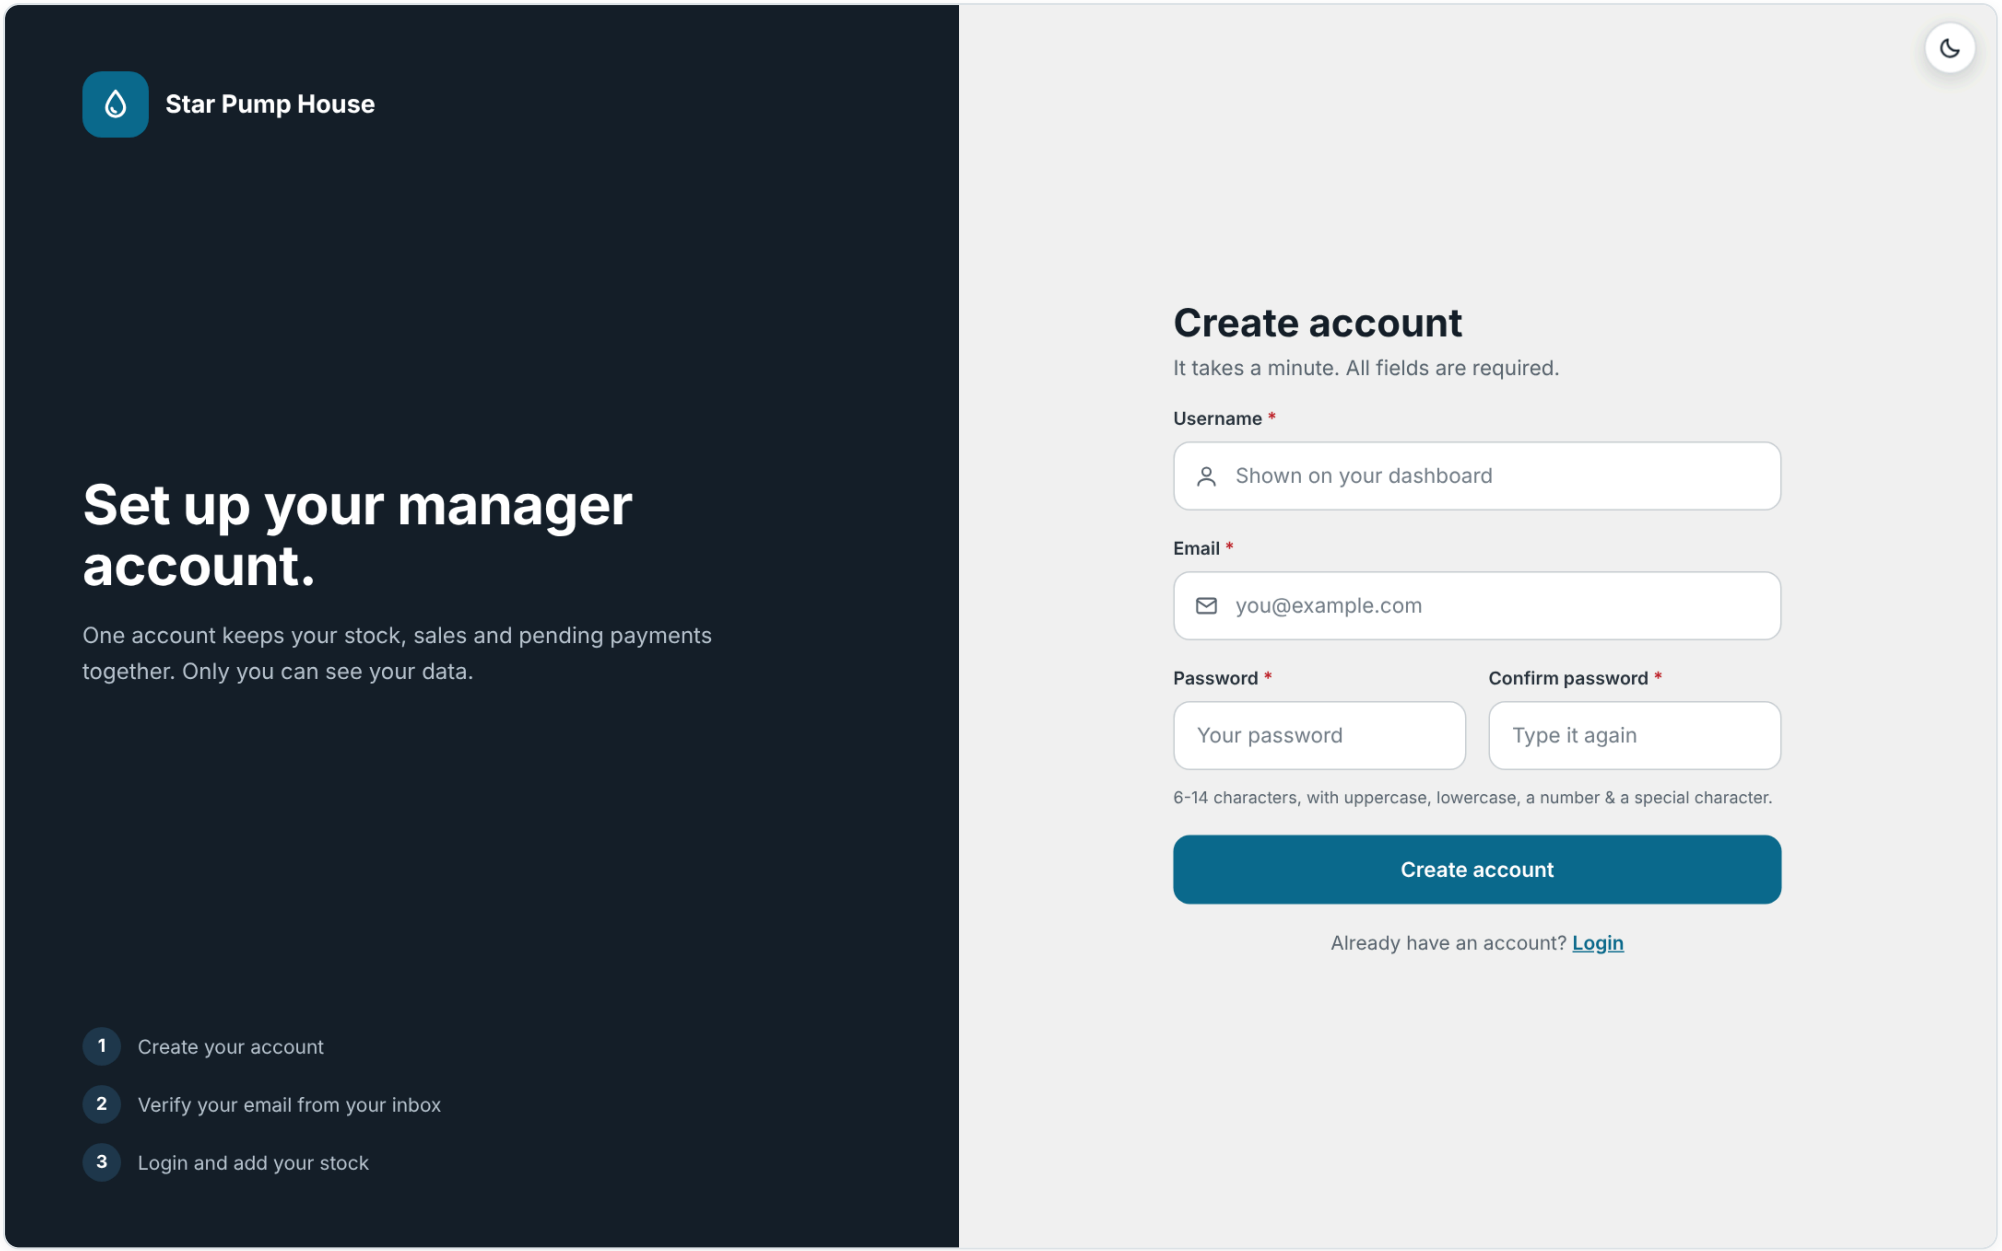

Email + password login, "Forgot password?" link, one login per browser.

02 Create account

Desktop

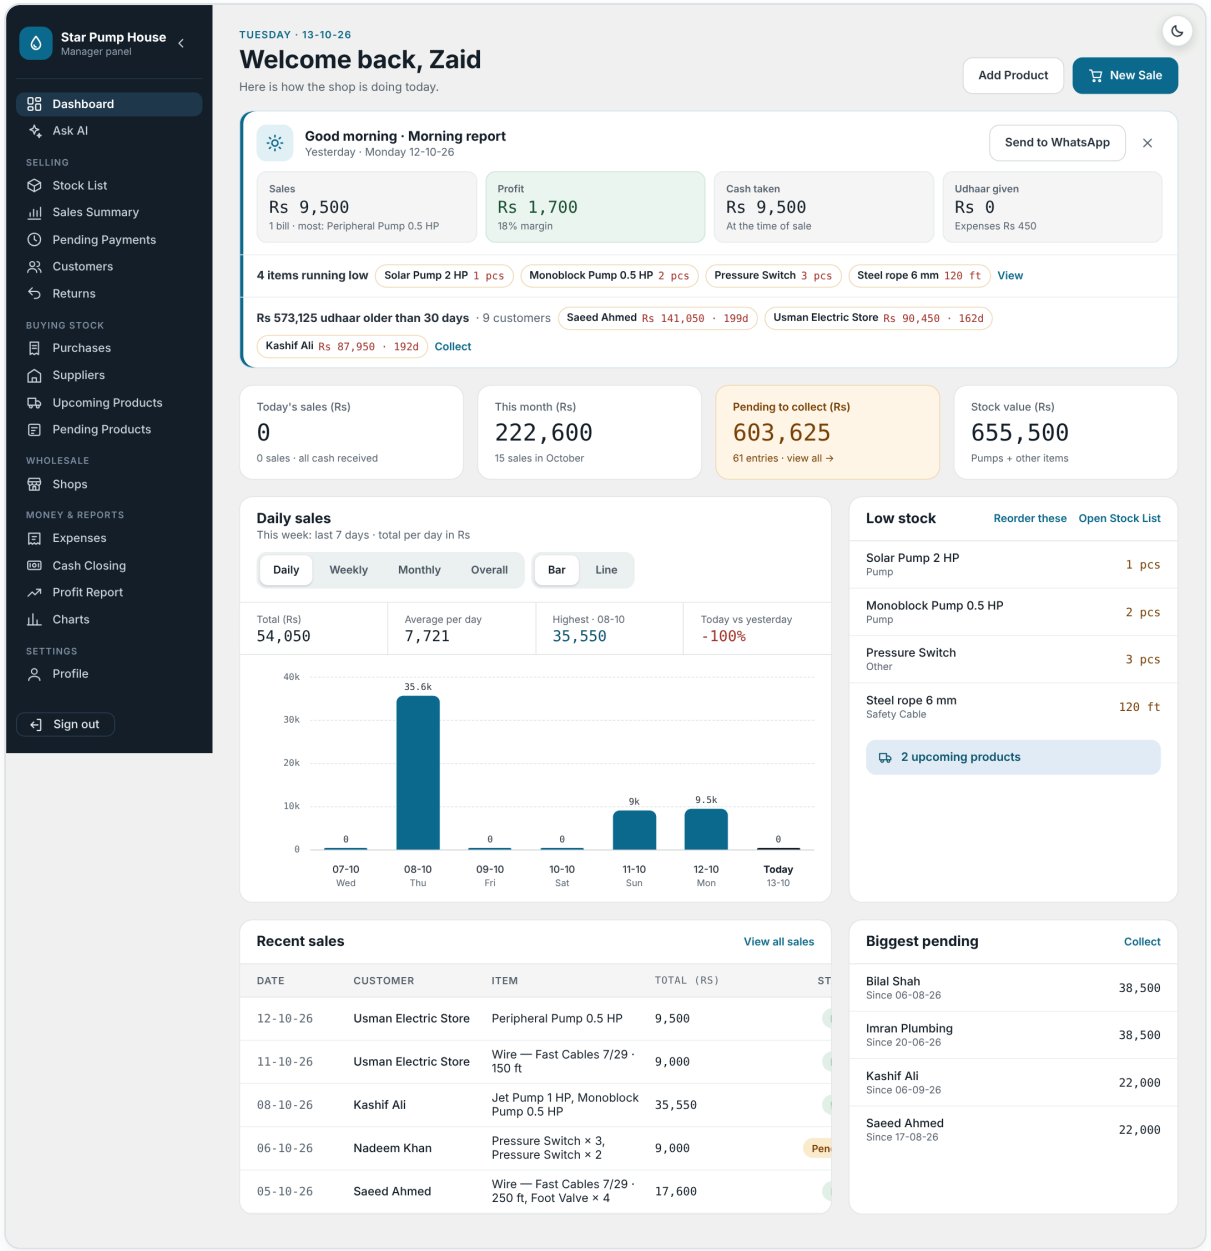

Sign up with email verification; strong-password rules.

03 Dashboard

Desktop

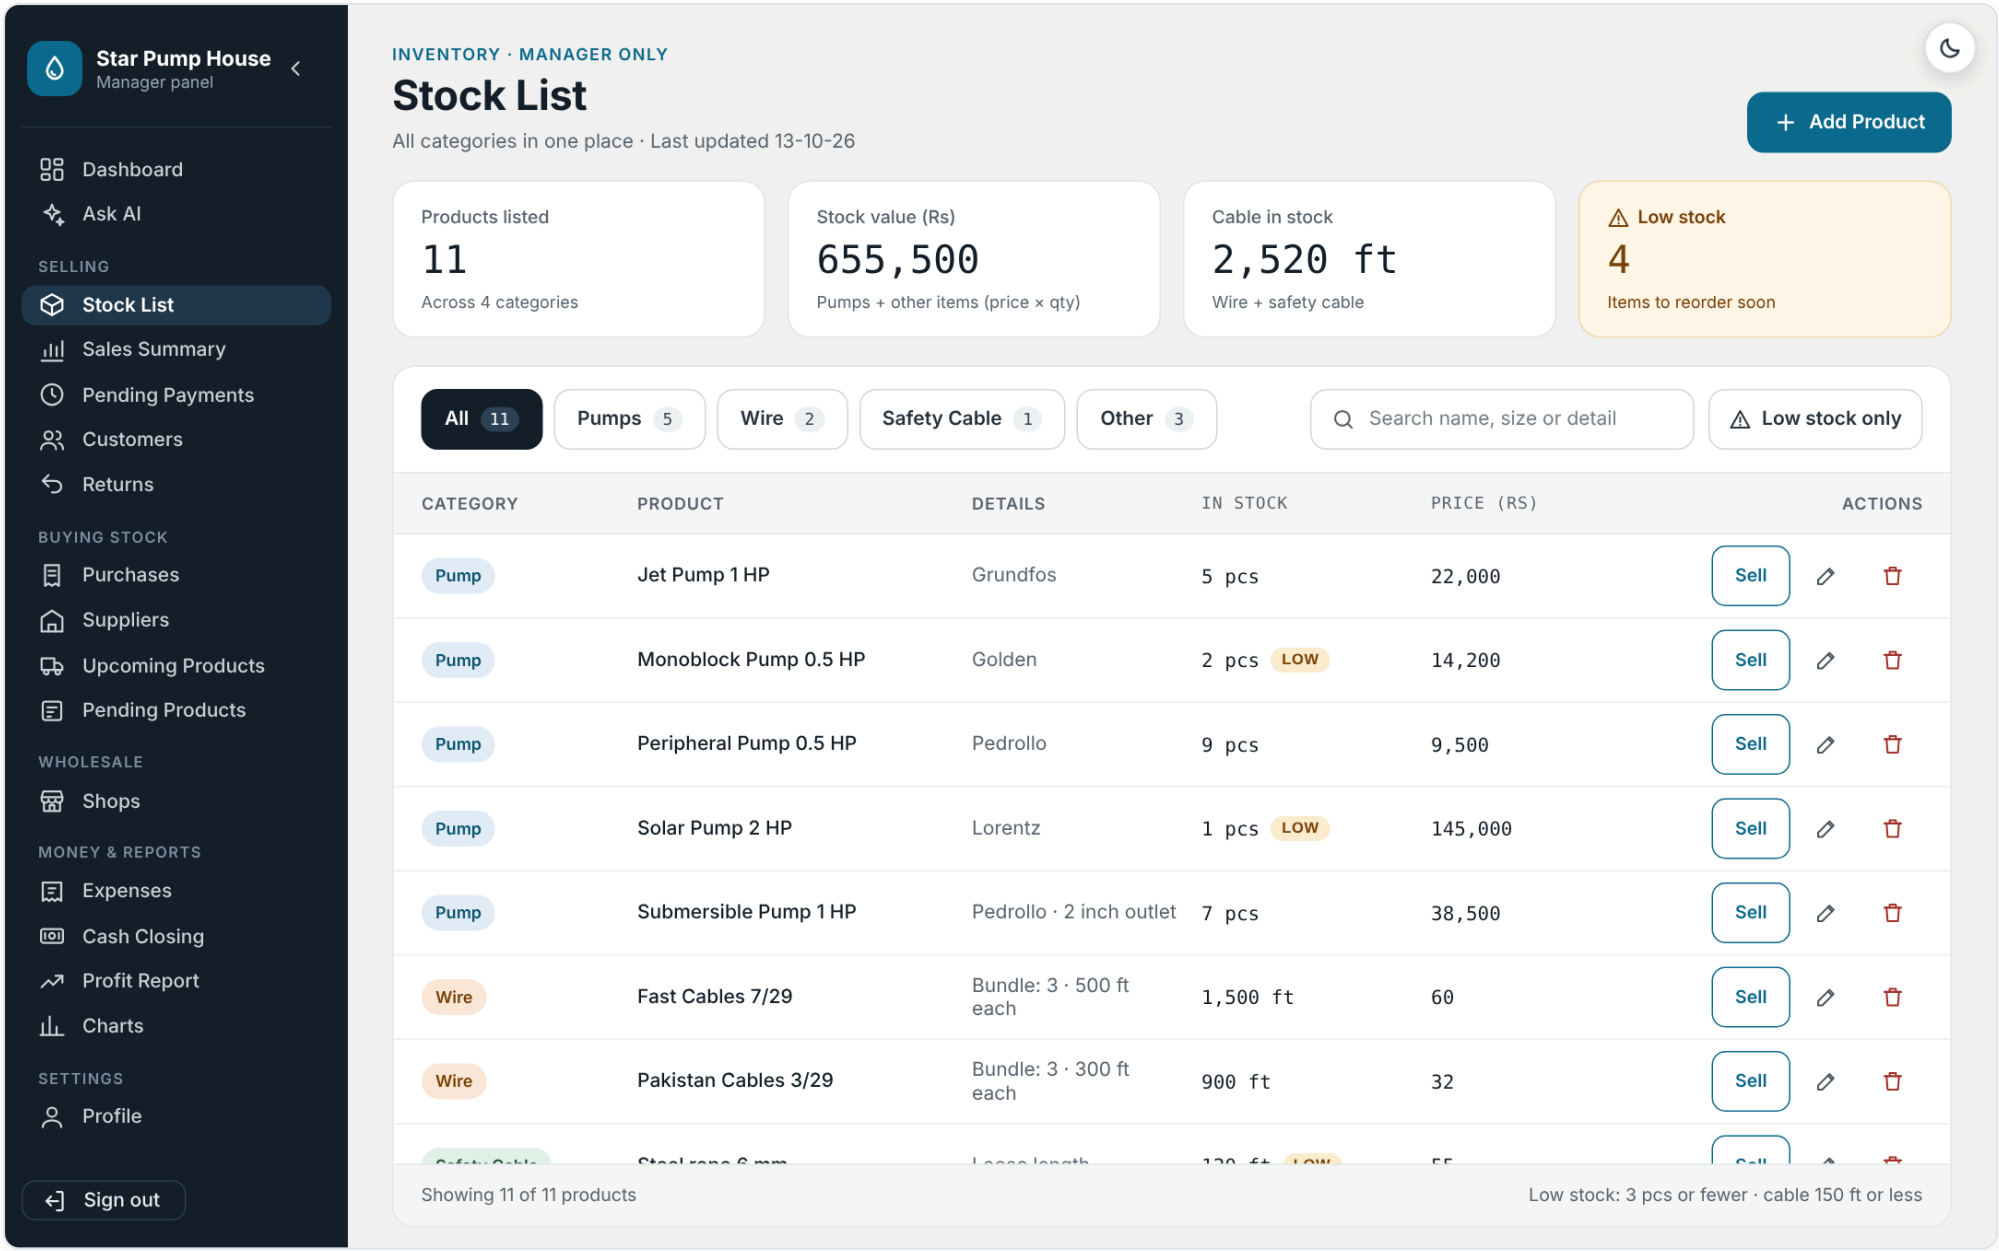

Morning report, KPIs, sales chart, low stock, recent sales and biggest udhaar.

04 Stock List

Desktop

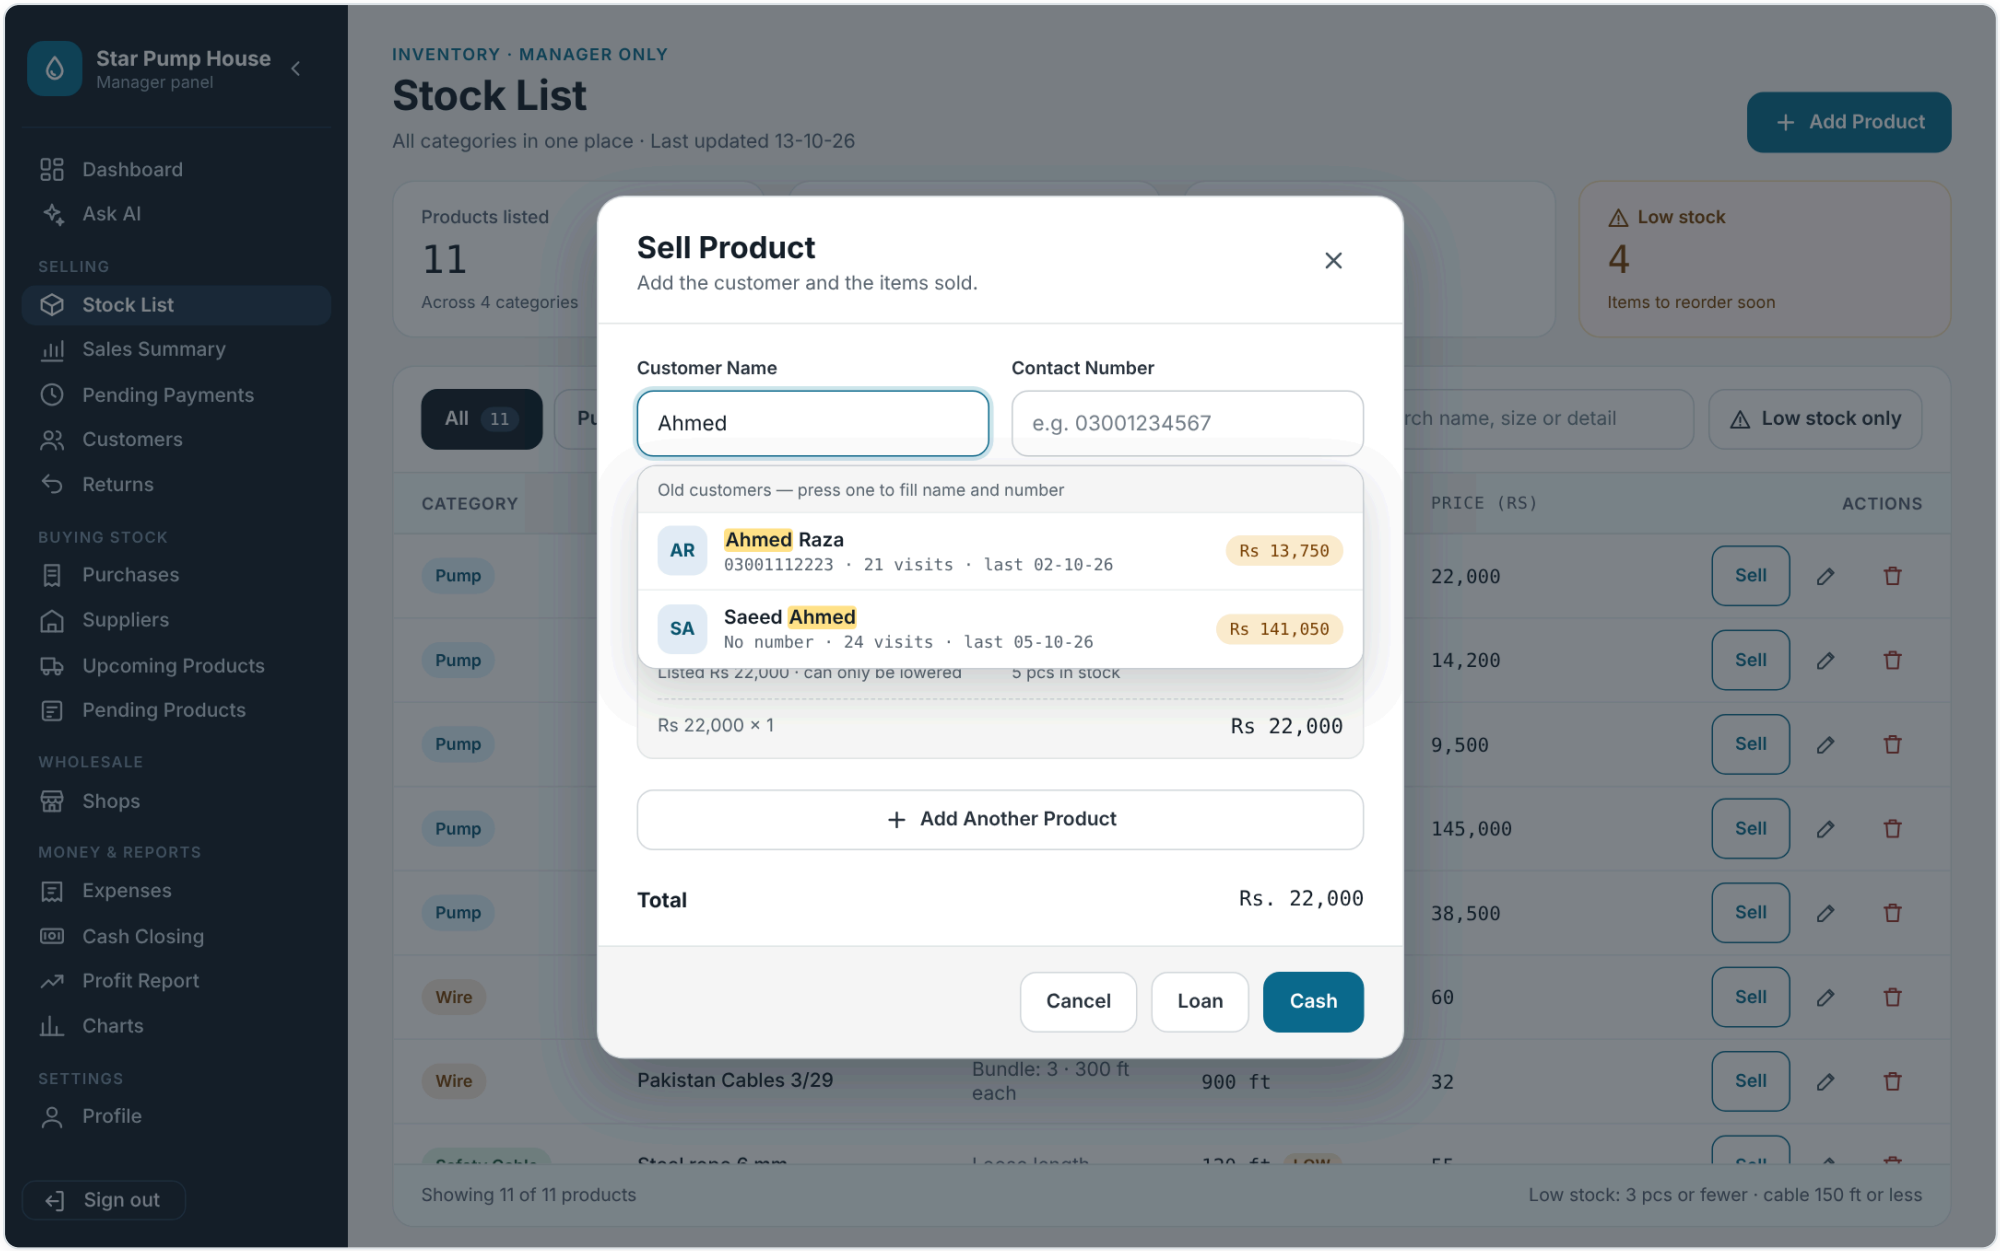

All categories with stock level, LOW badges, Sell / Edit / Delete.

05 Sell Product

Desktop

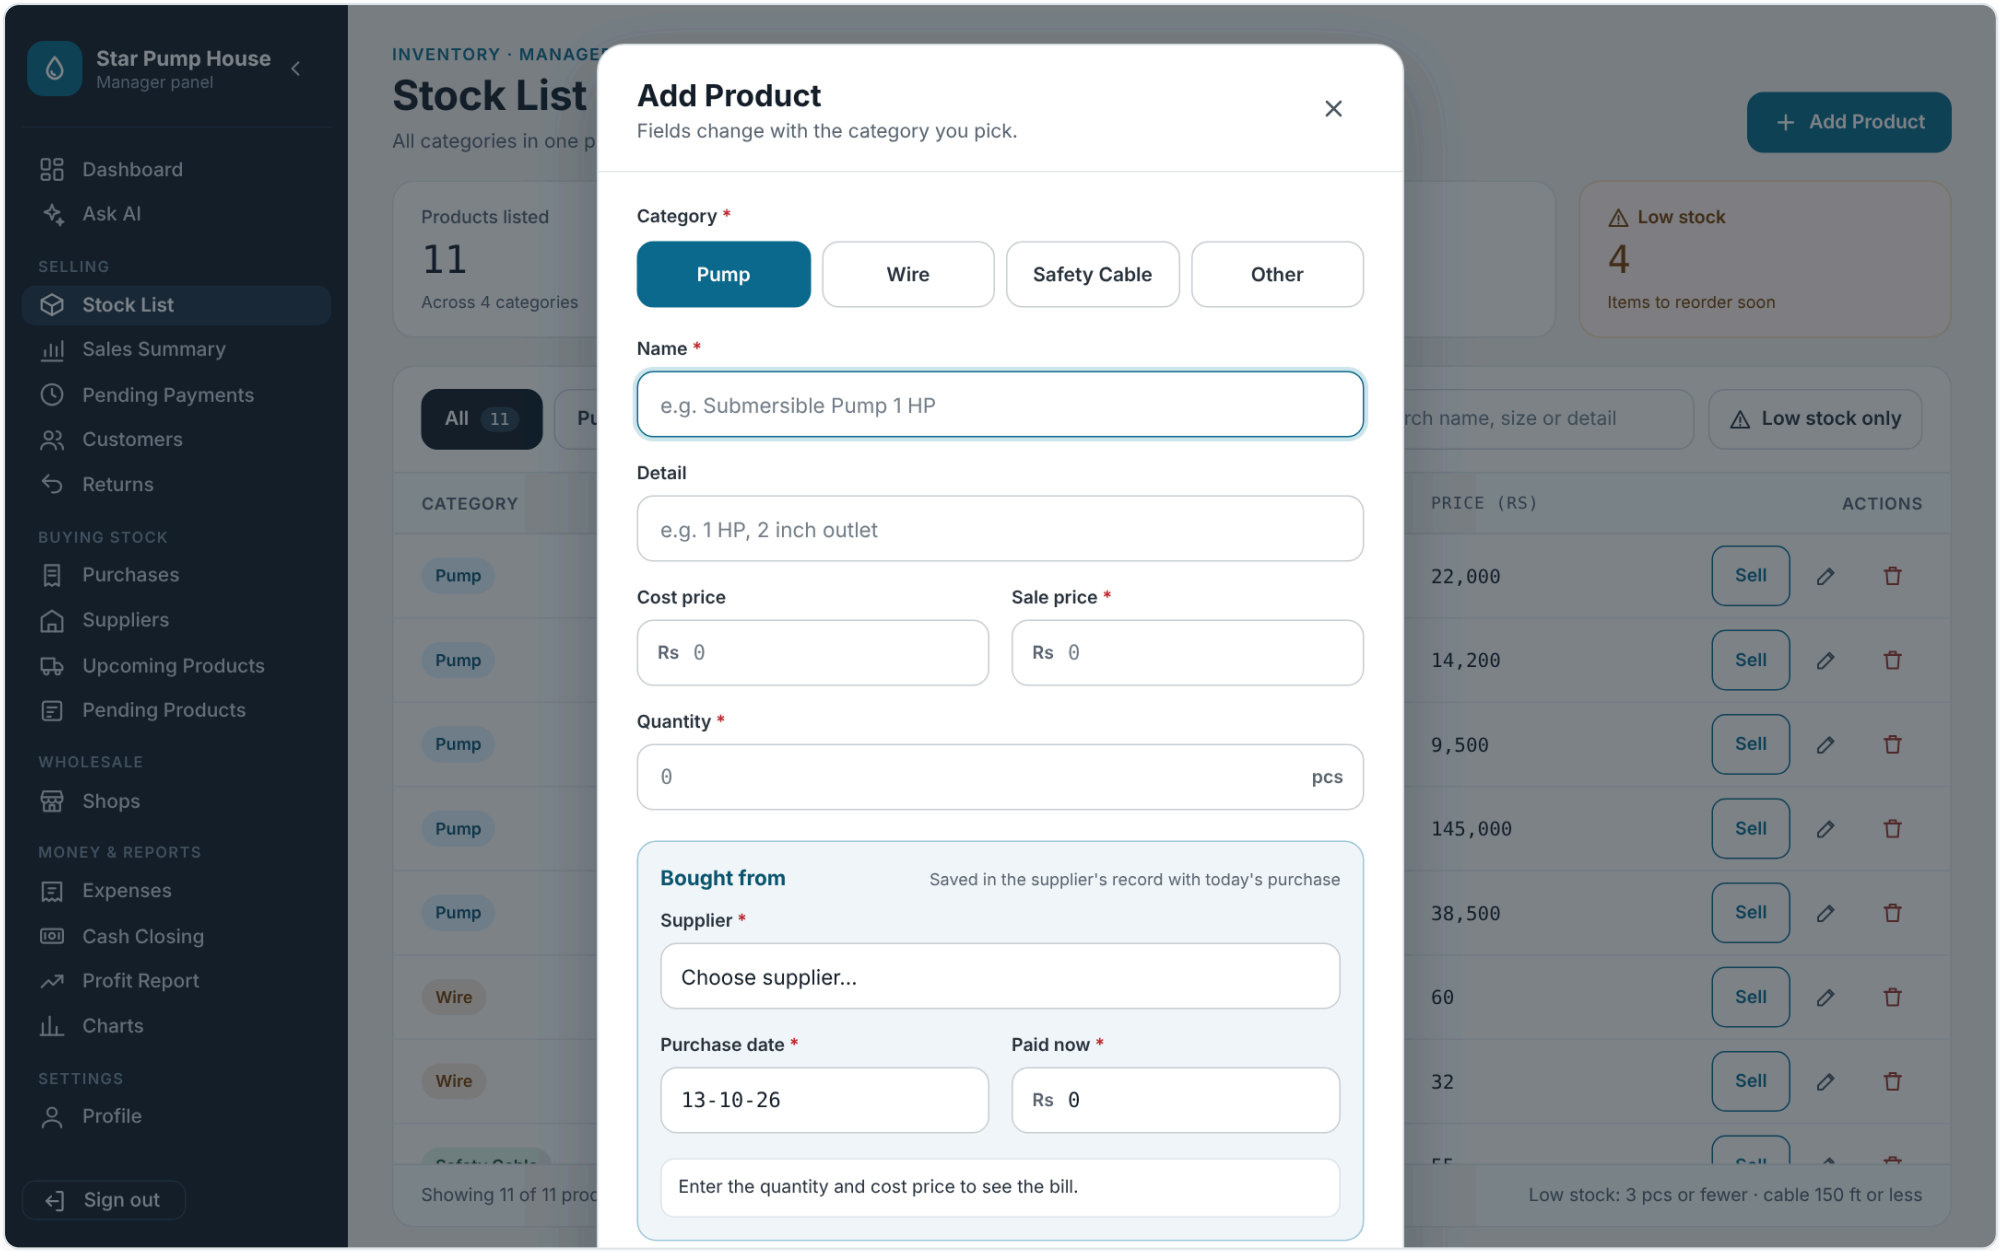

Old-customer suggestions, several products in one bill, Cash or Loan.

06 Add Product

Desktop

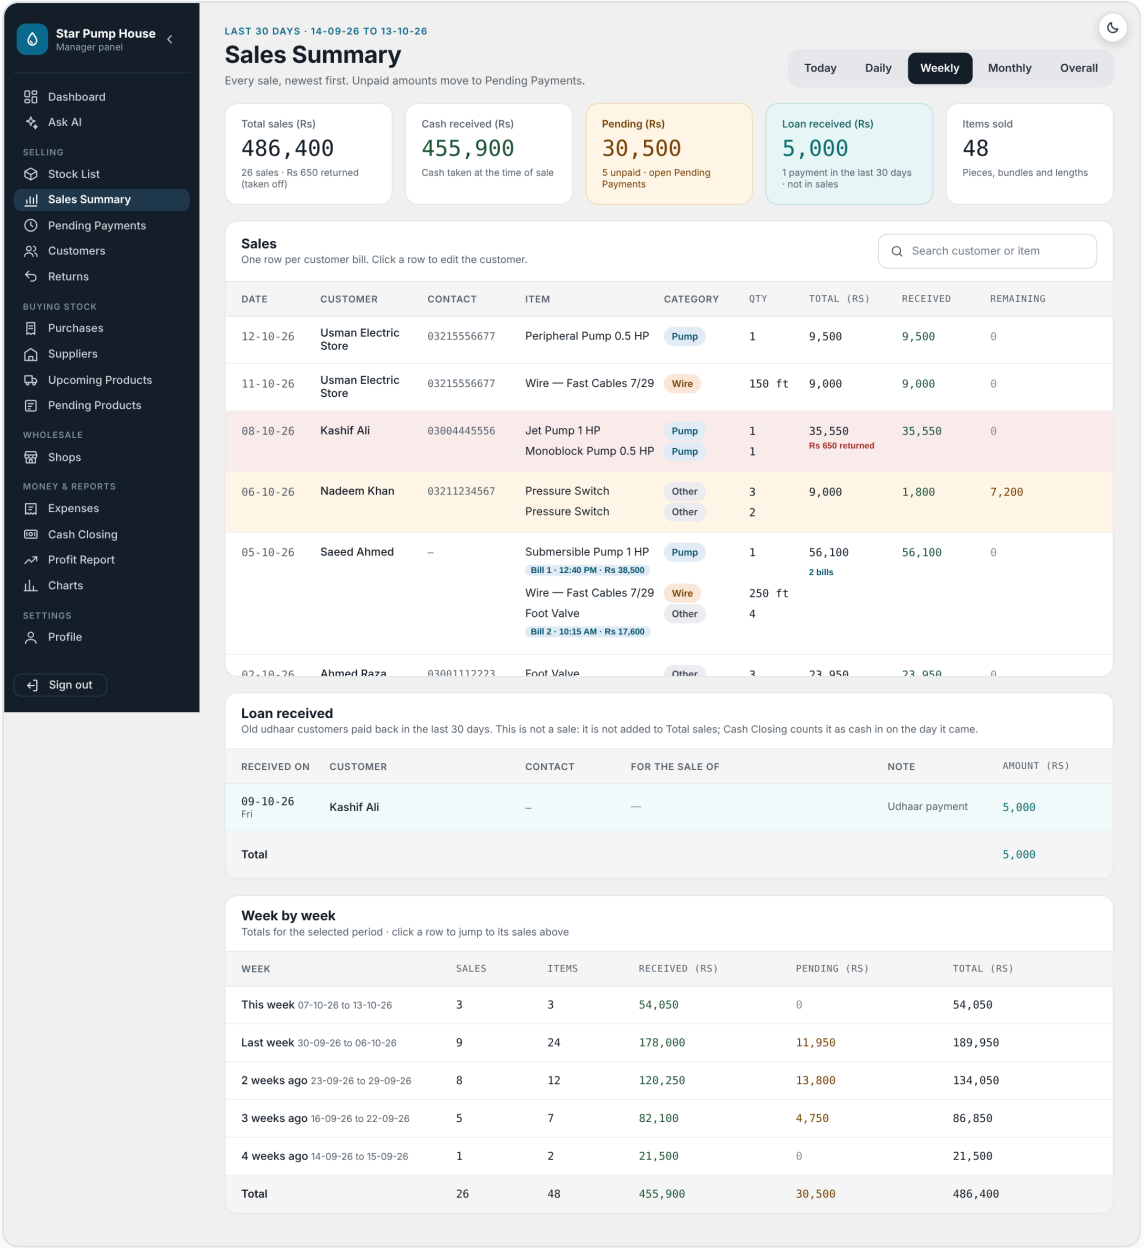

Fields change by category; optional supplier purchase in the same step.

07 Sales Summary

Desktop

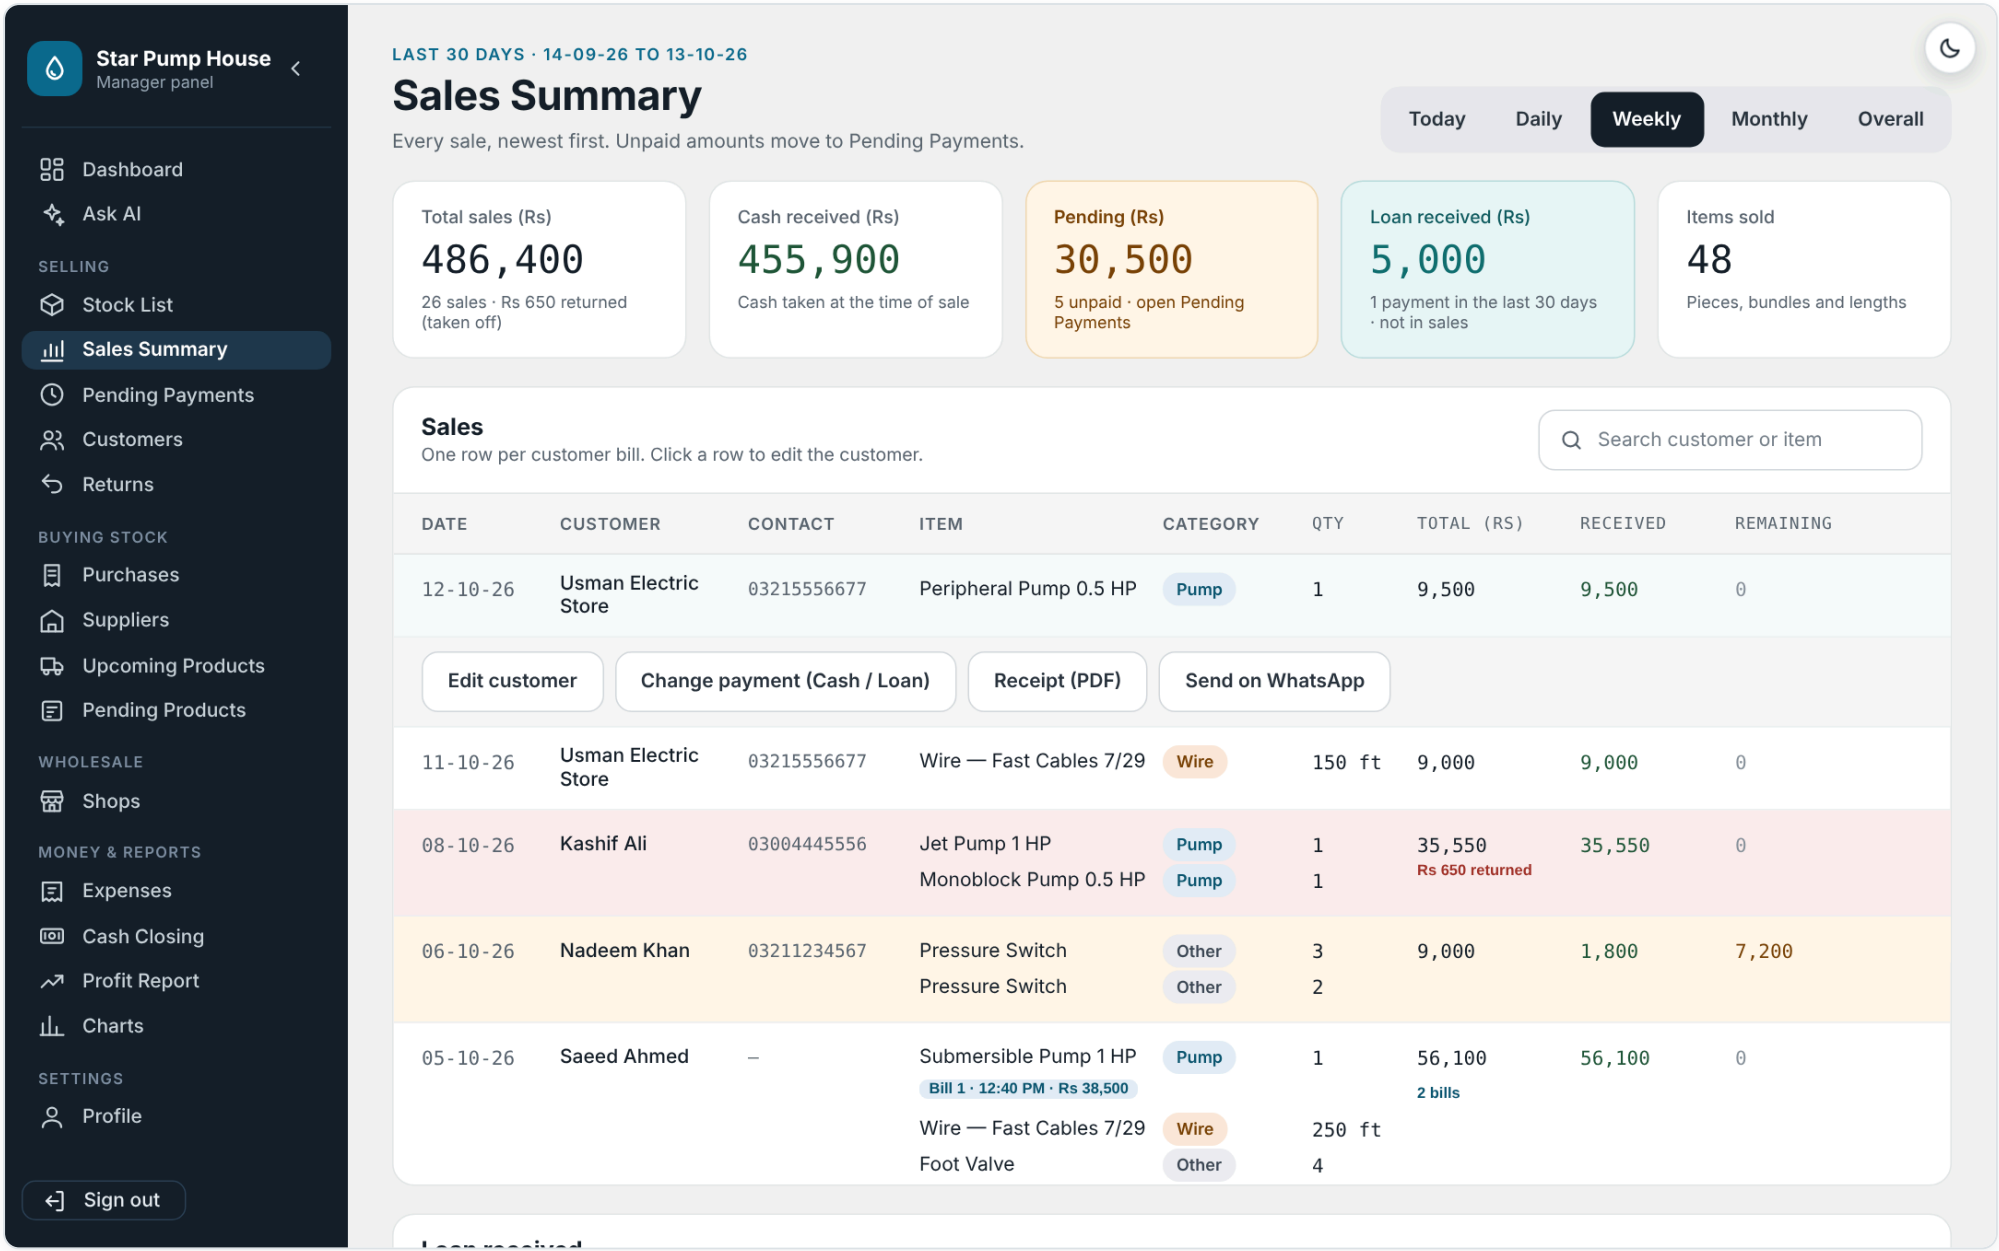

Period buttons, KPIs, grouped totals and one row per customer bill.

08 Sale actions

Desktop

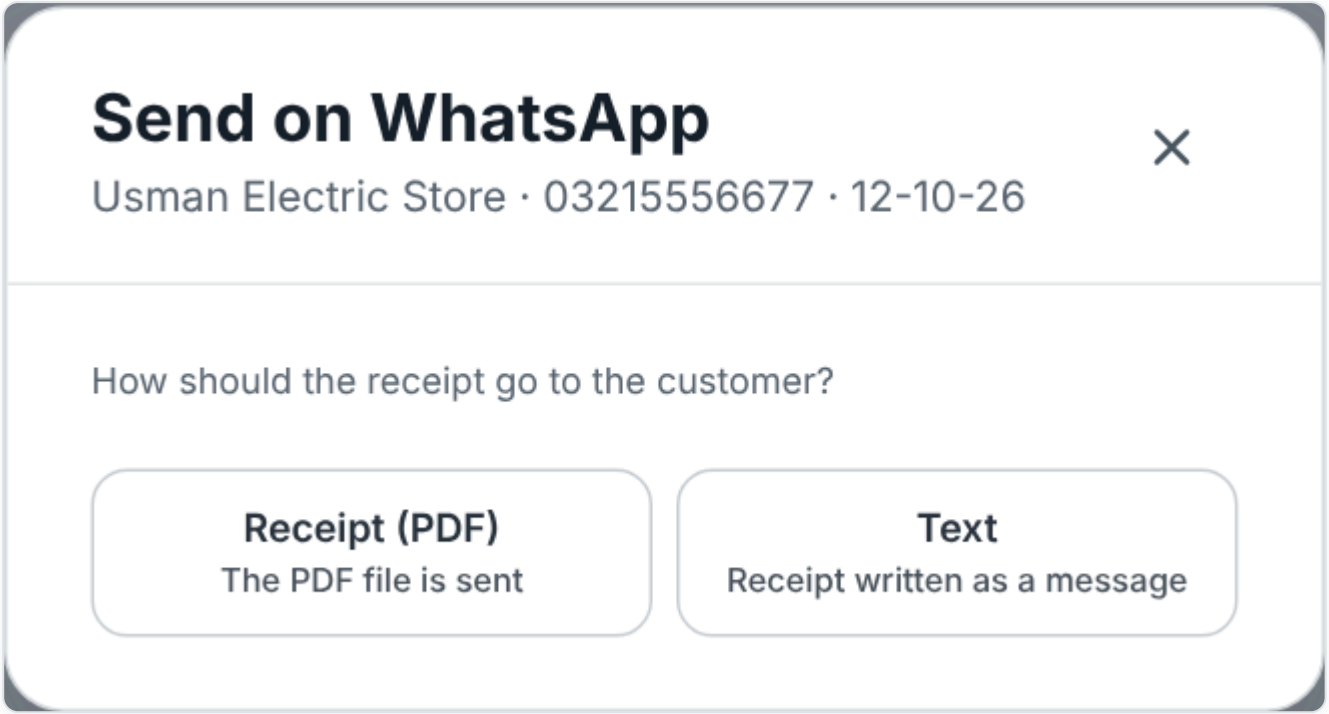

Edit customer, change Cash/Loan, receipt PDF and WhatsApp.

09 Send receipt on WhatsApp

Desktop

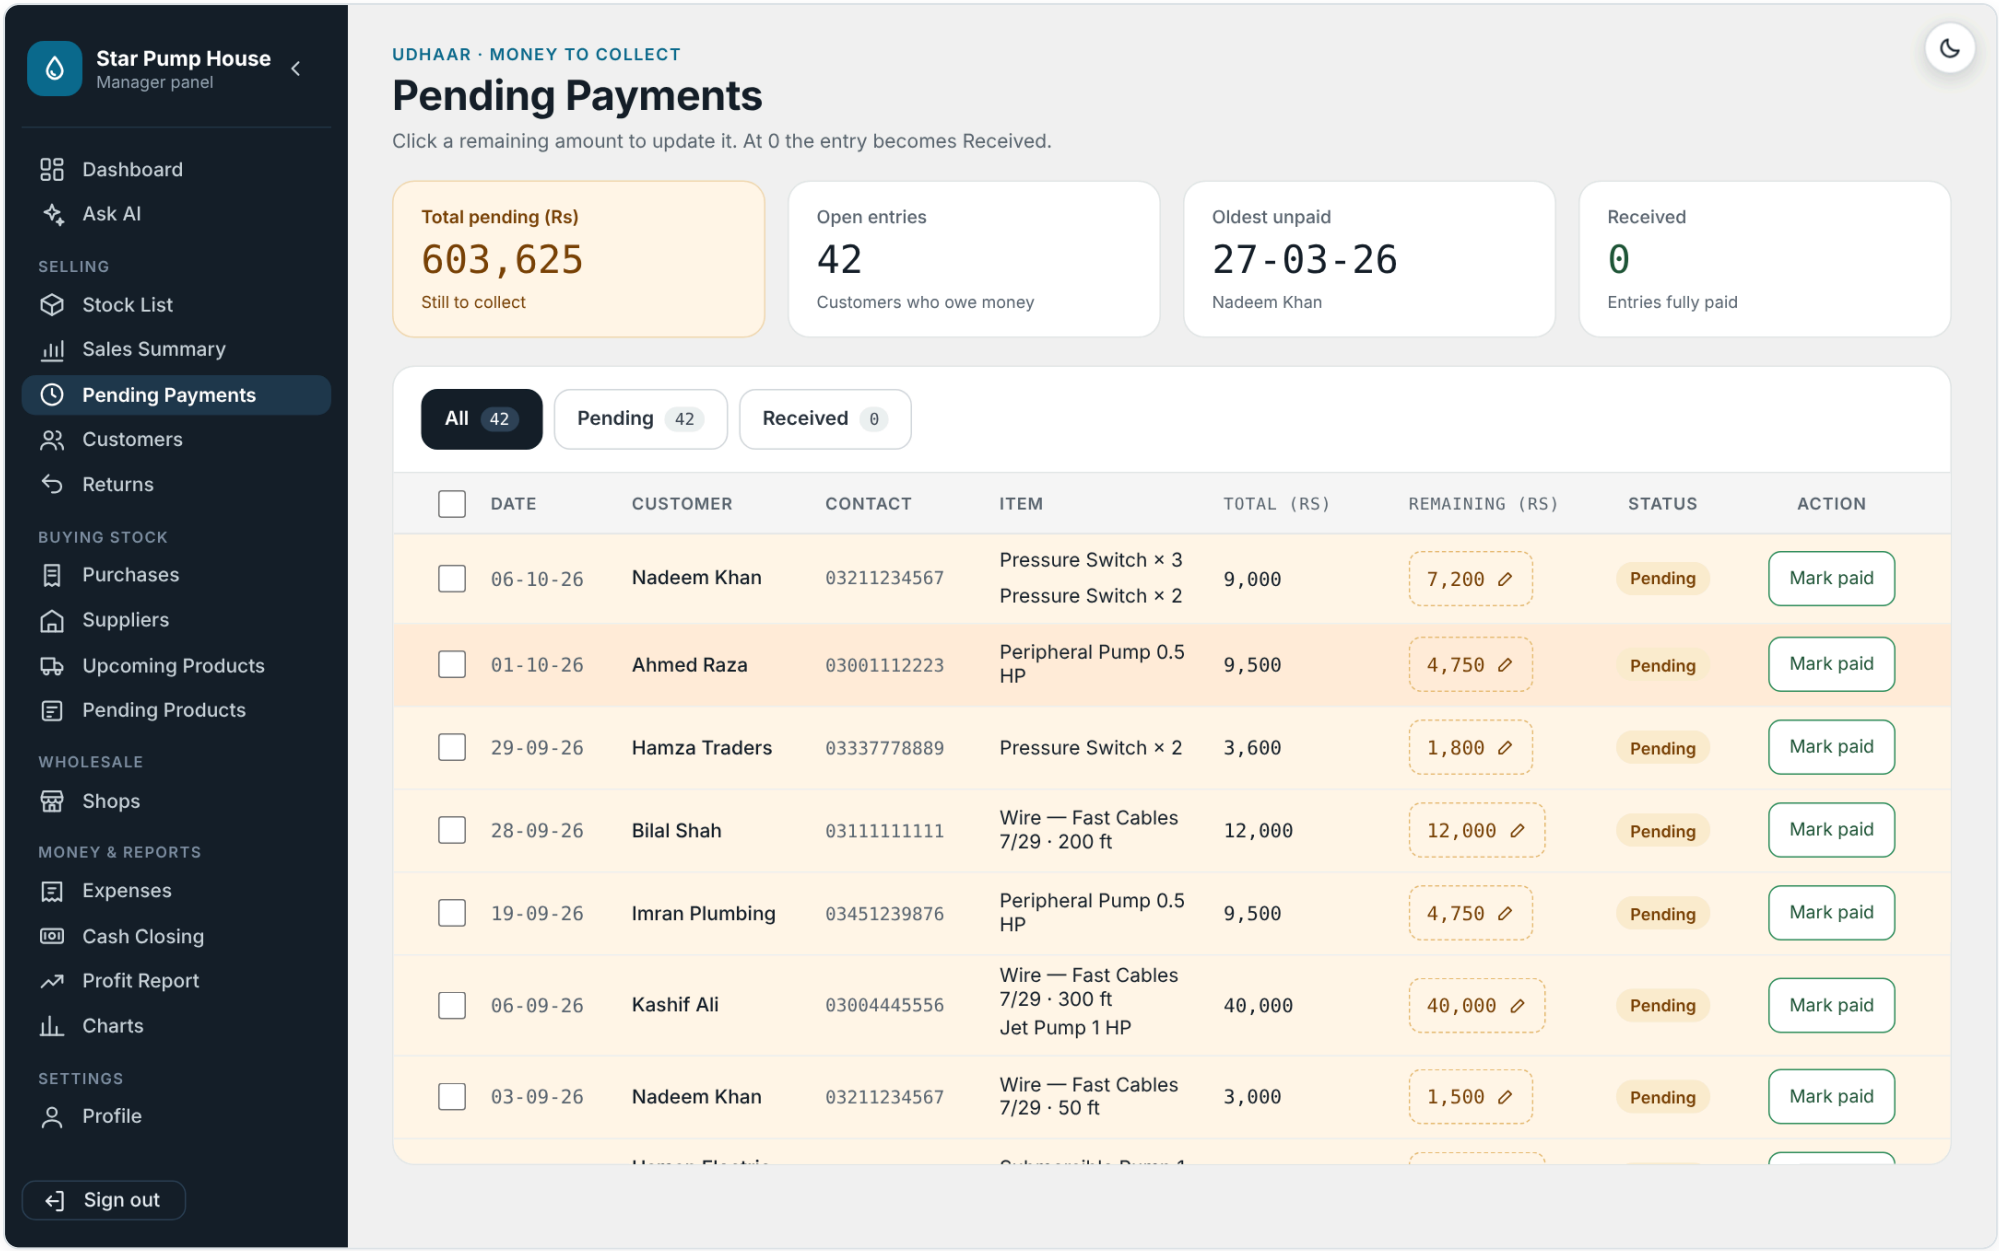

Choose PDF receipt or a text message.

10 Pending Payments (udhaar)

Desktop

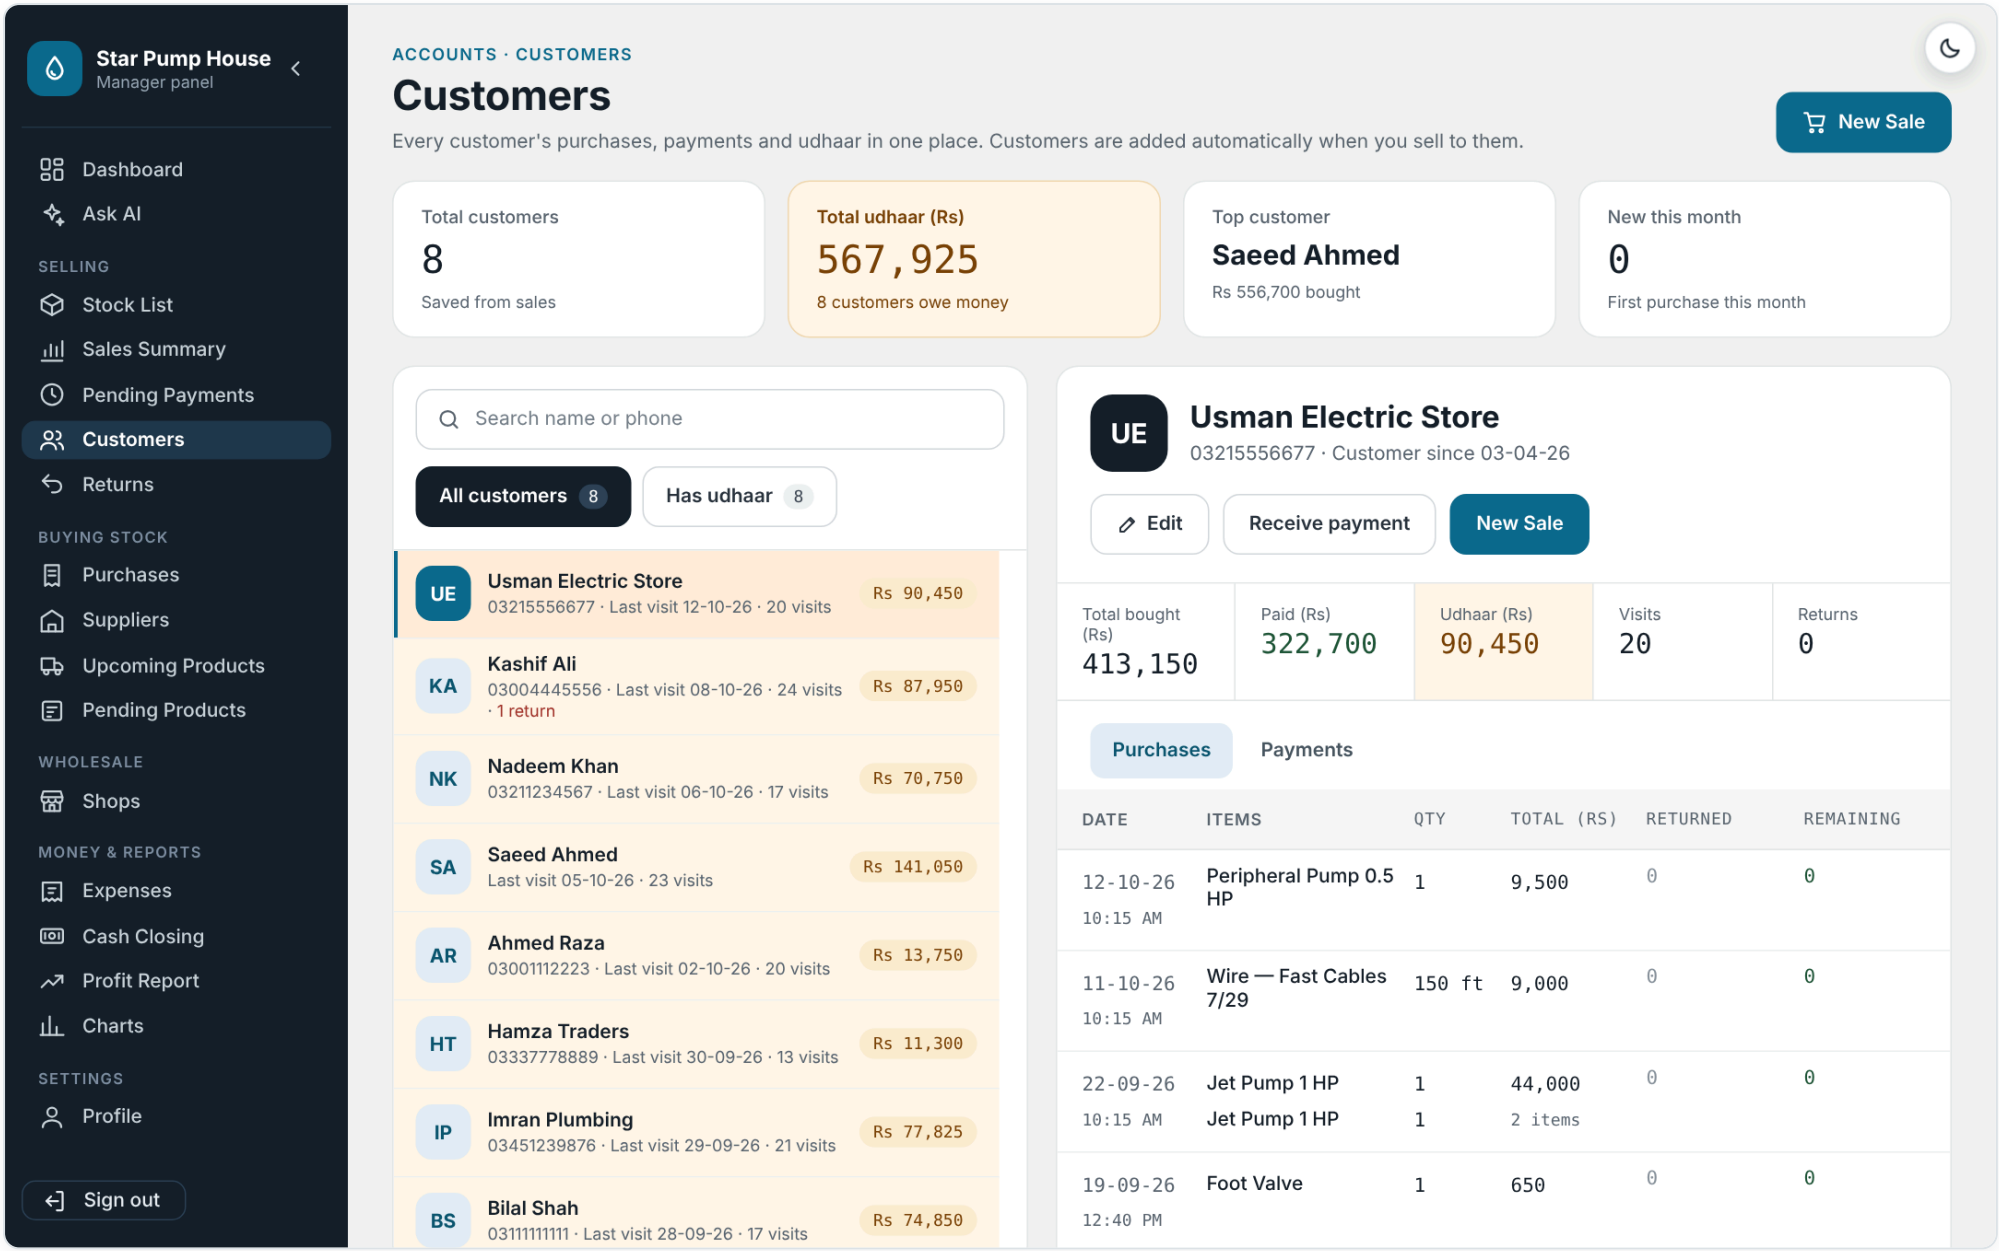

All open udhaar, receive payments, bulk actions.

11 Customers

Desktop

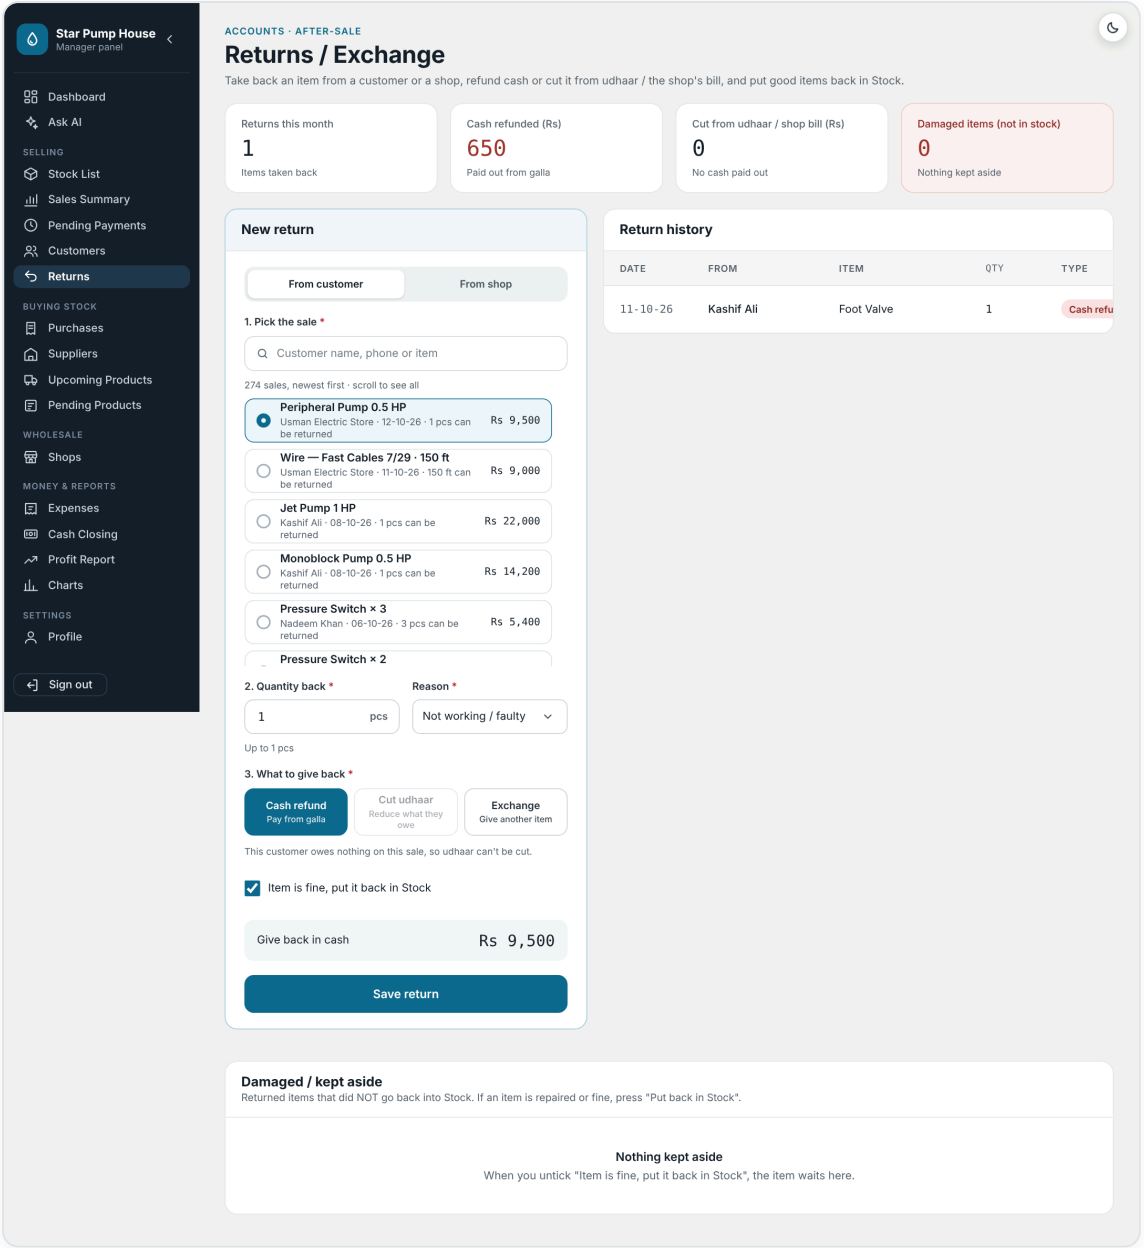

Every customer with total bought, paid and udhaar left.

12 Returns

Desktop

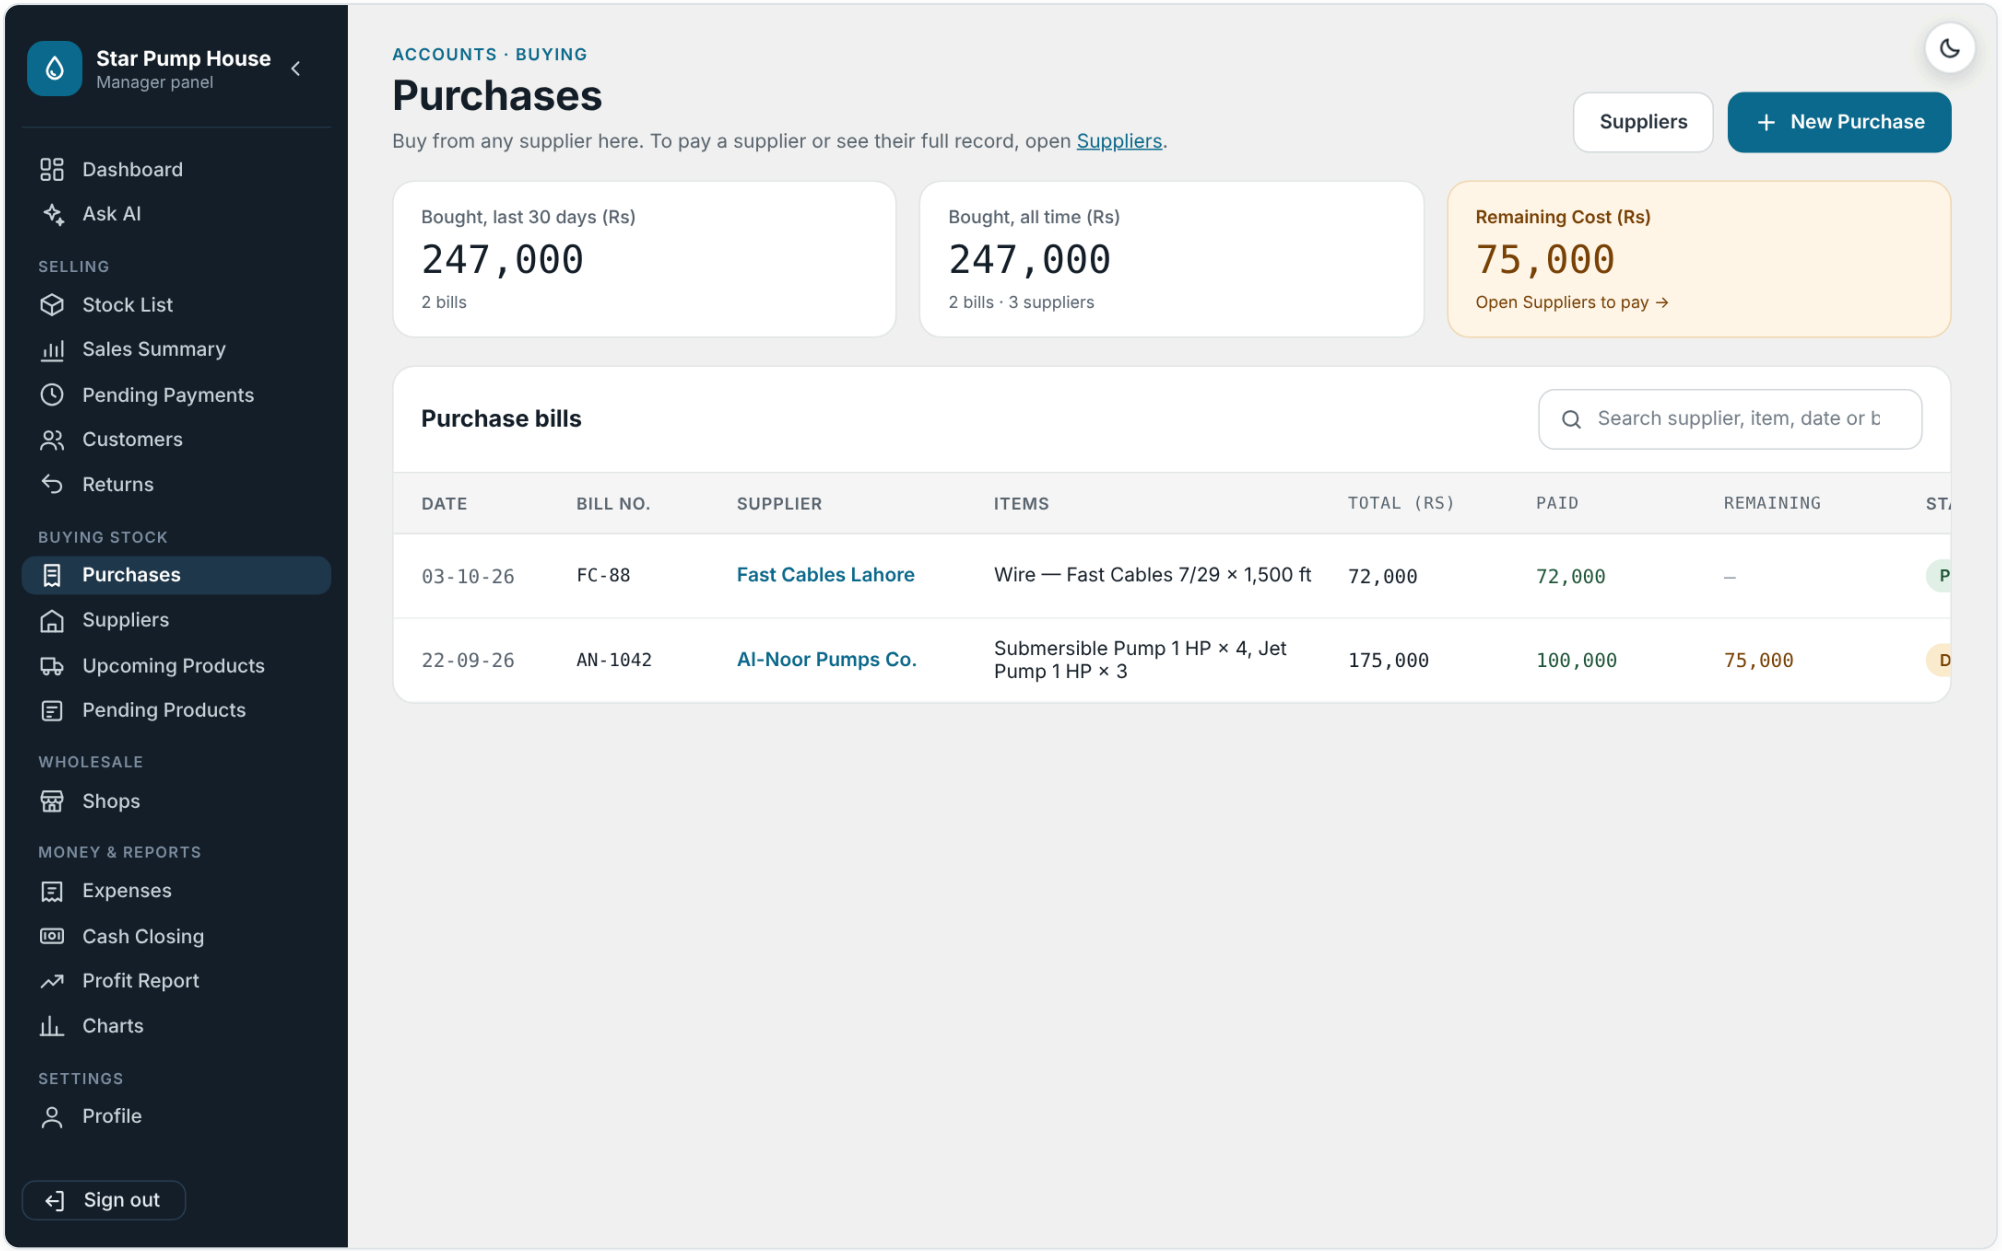

Customer or wholesale-shop returns: refund, cut udhaar or exchange; damaged items kept aside.

13 Purchases

Desktop

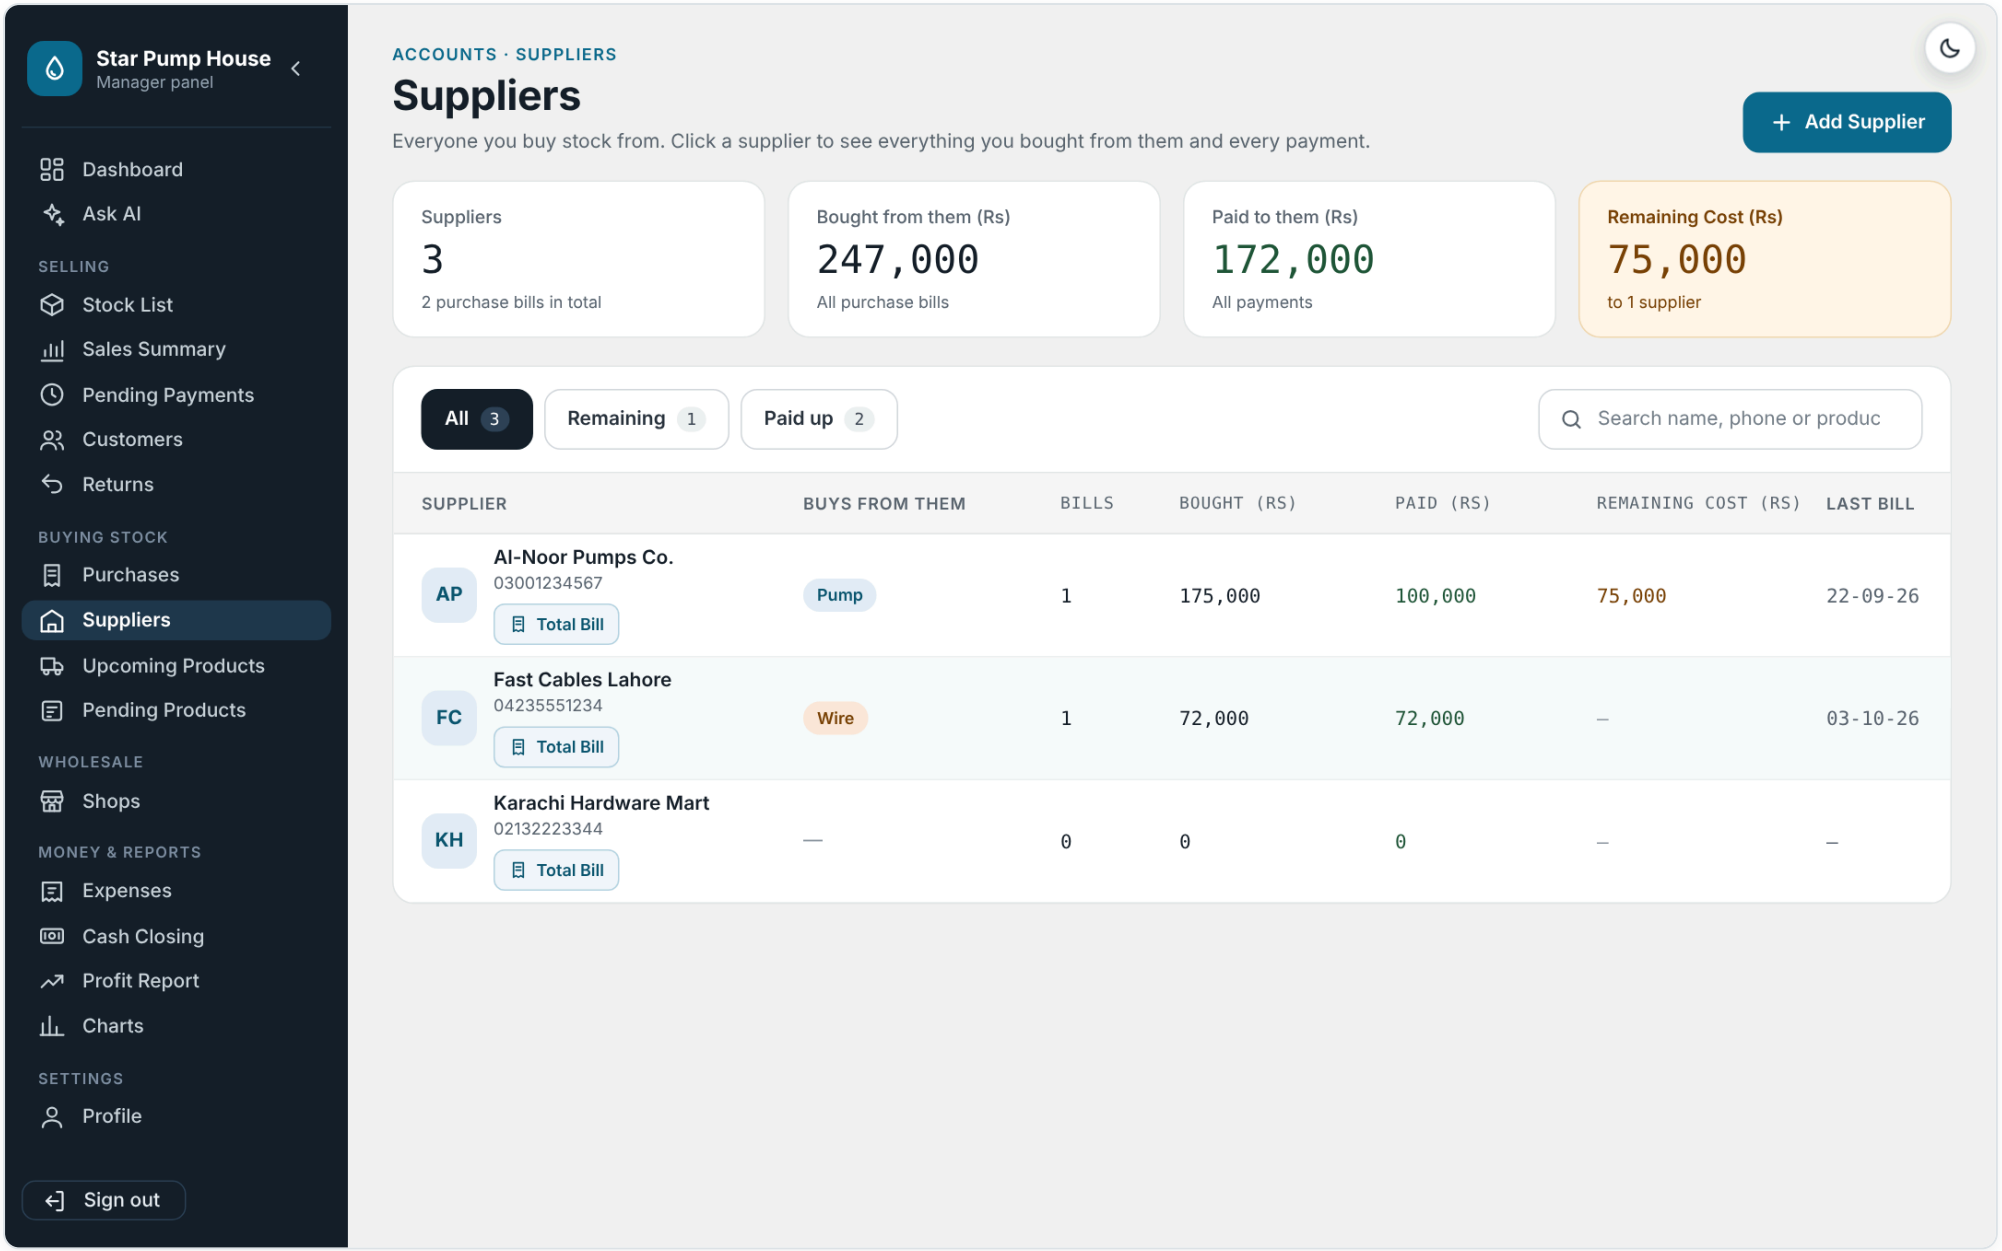

Supplier bills with paid / remaining.

14 Suppliers

Desktop

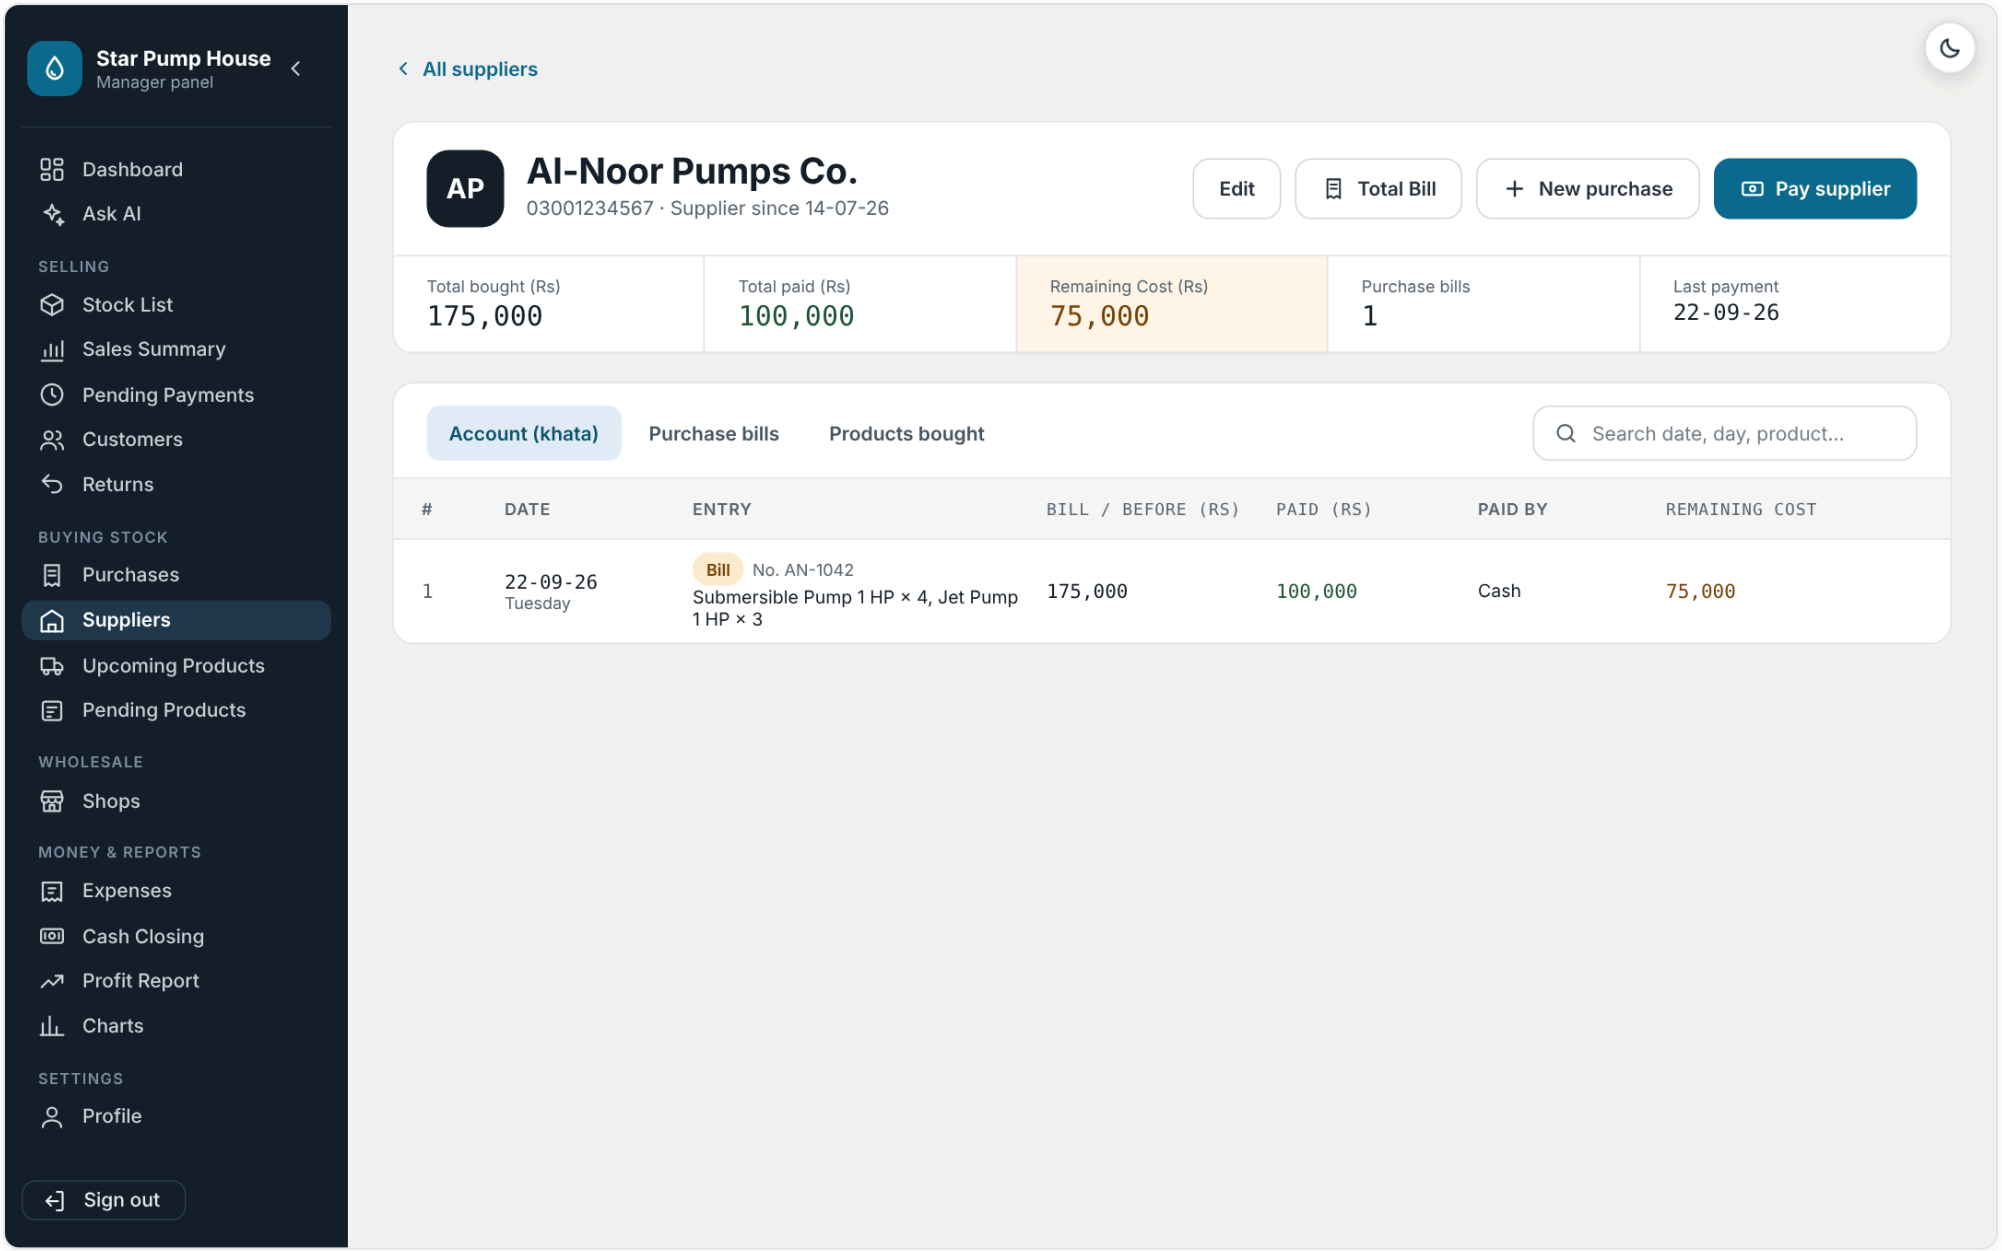

What you owe each supplier.

15 Supplier account

Desktop

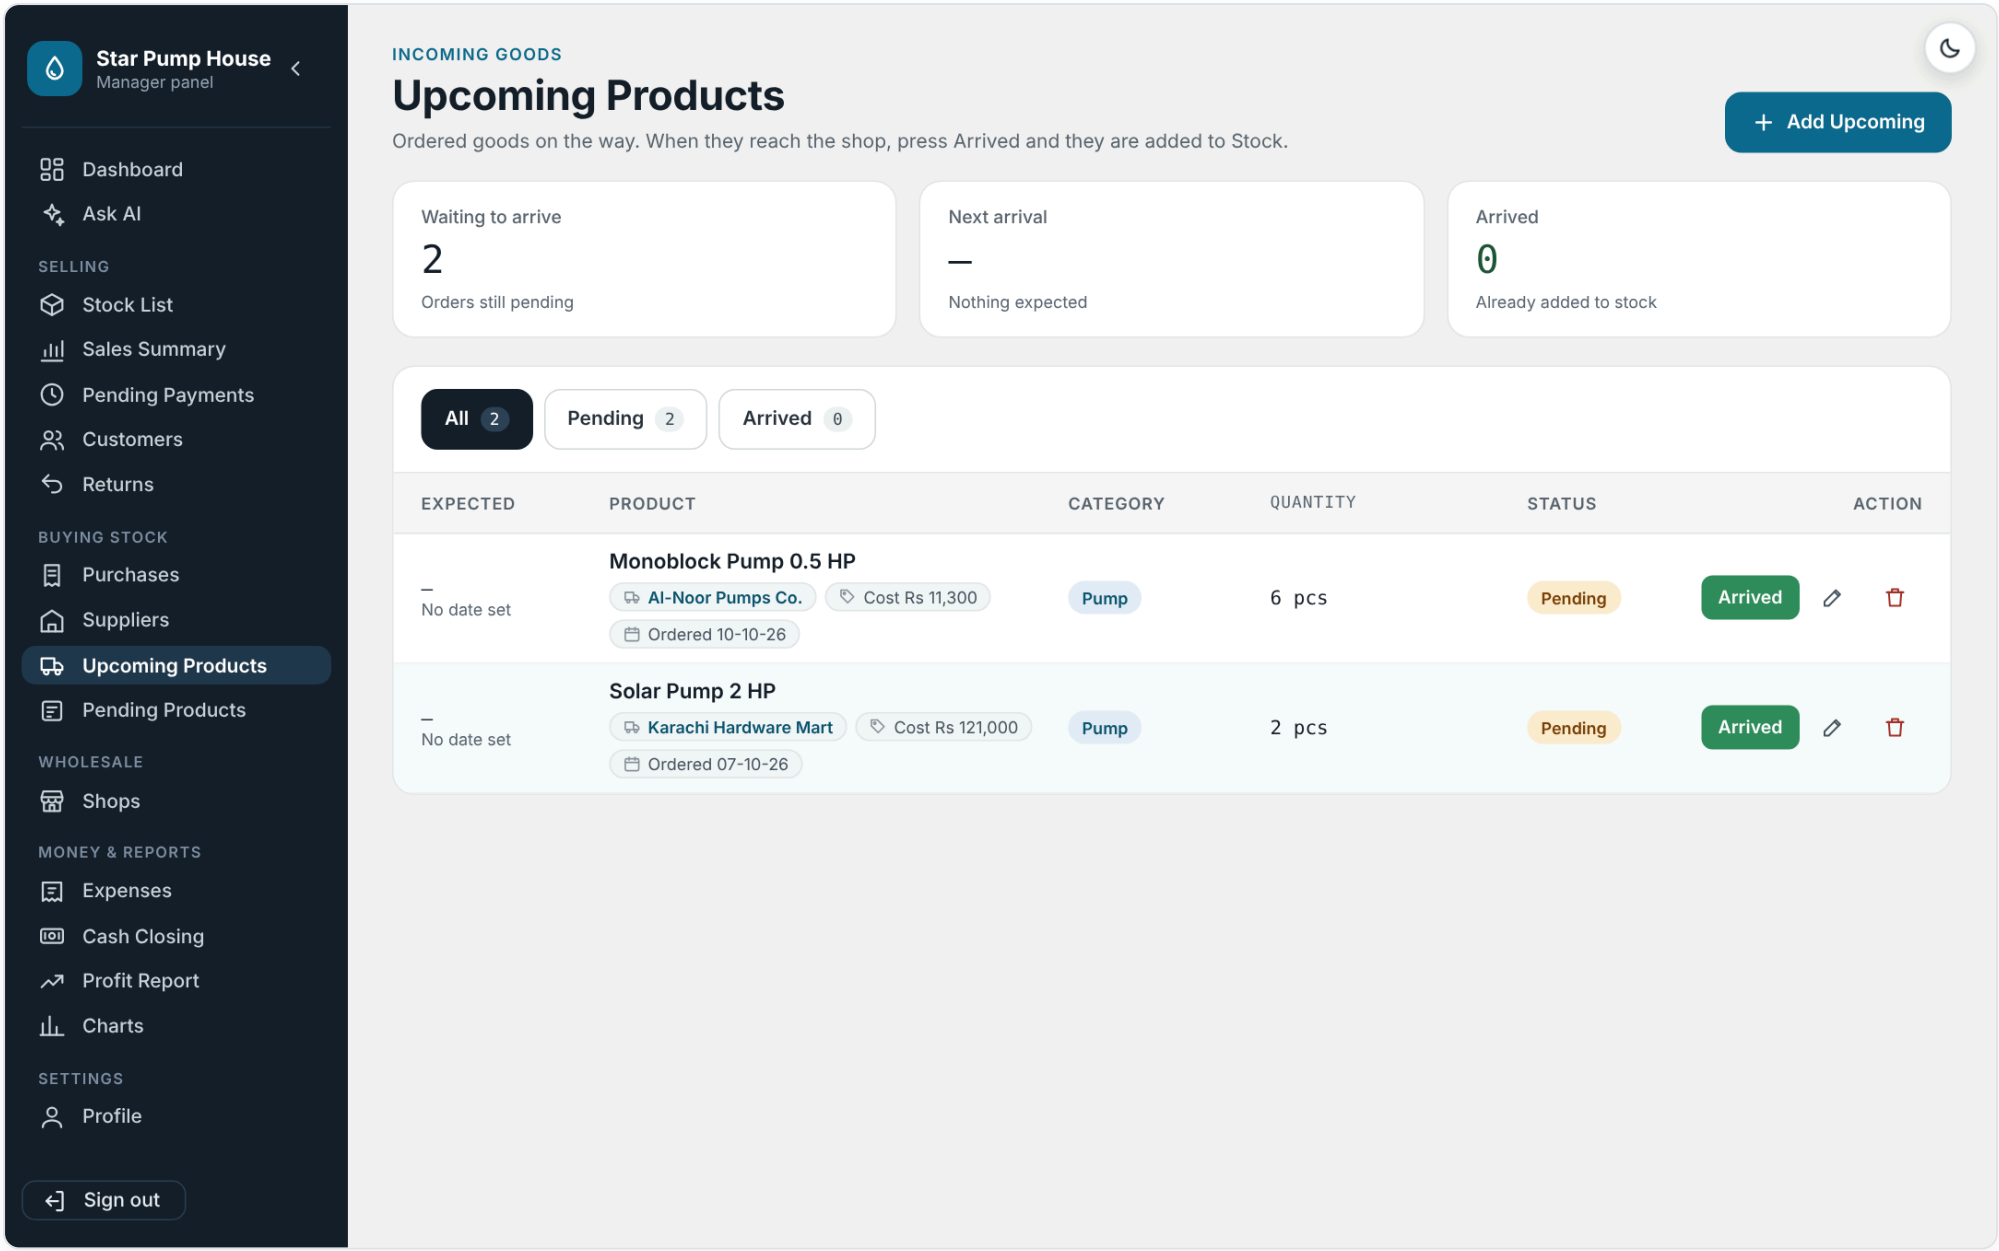

Bills, payments and products bought from one supplier.

16 Upcoming Products

Desktop

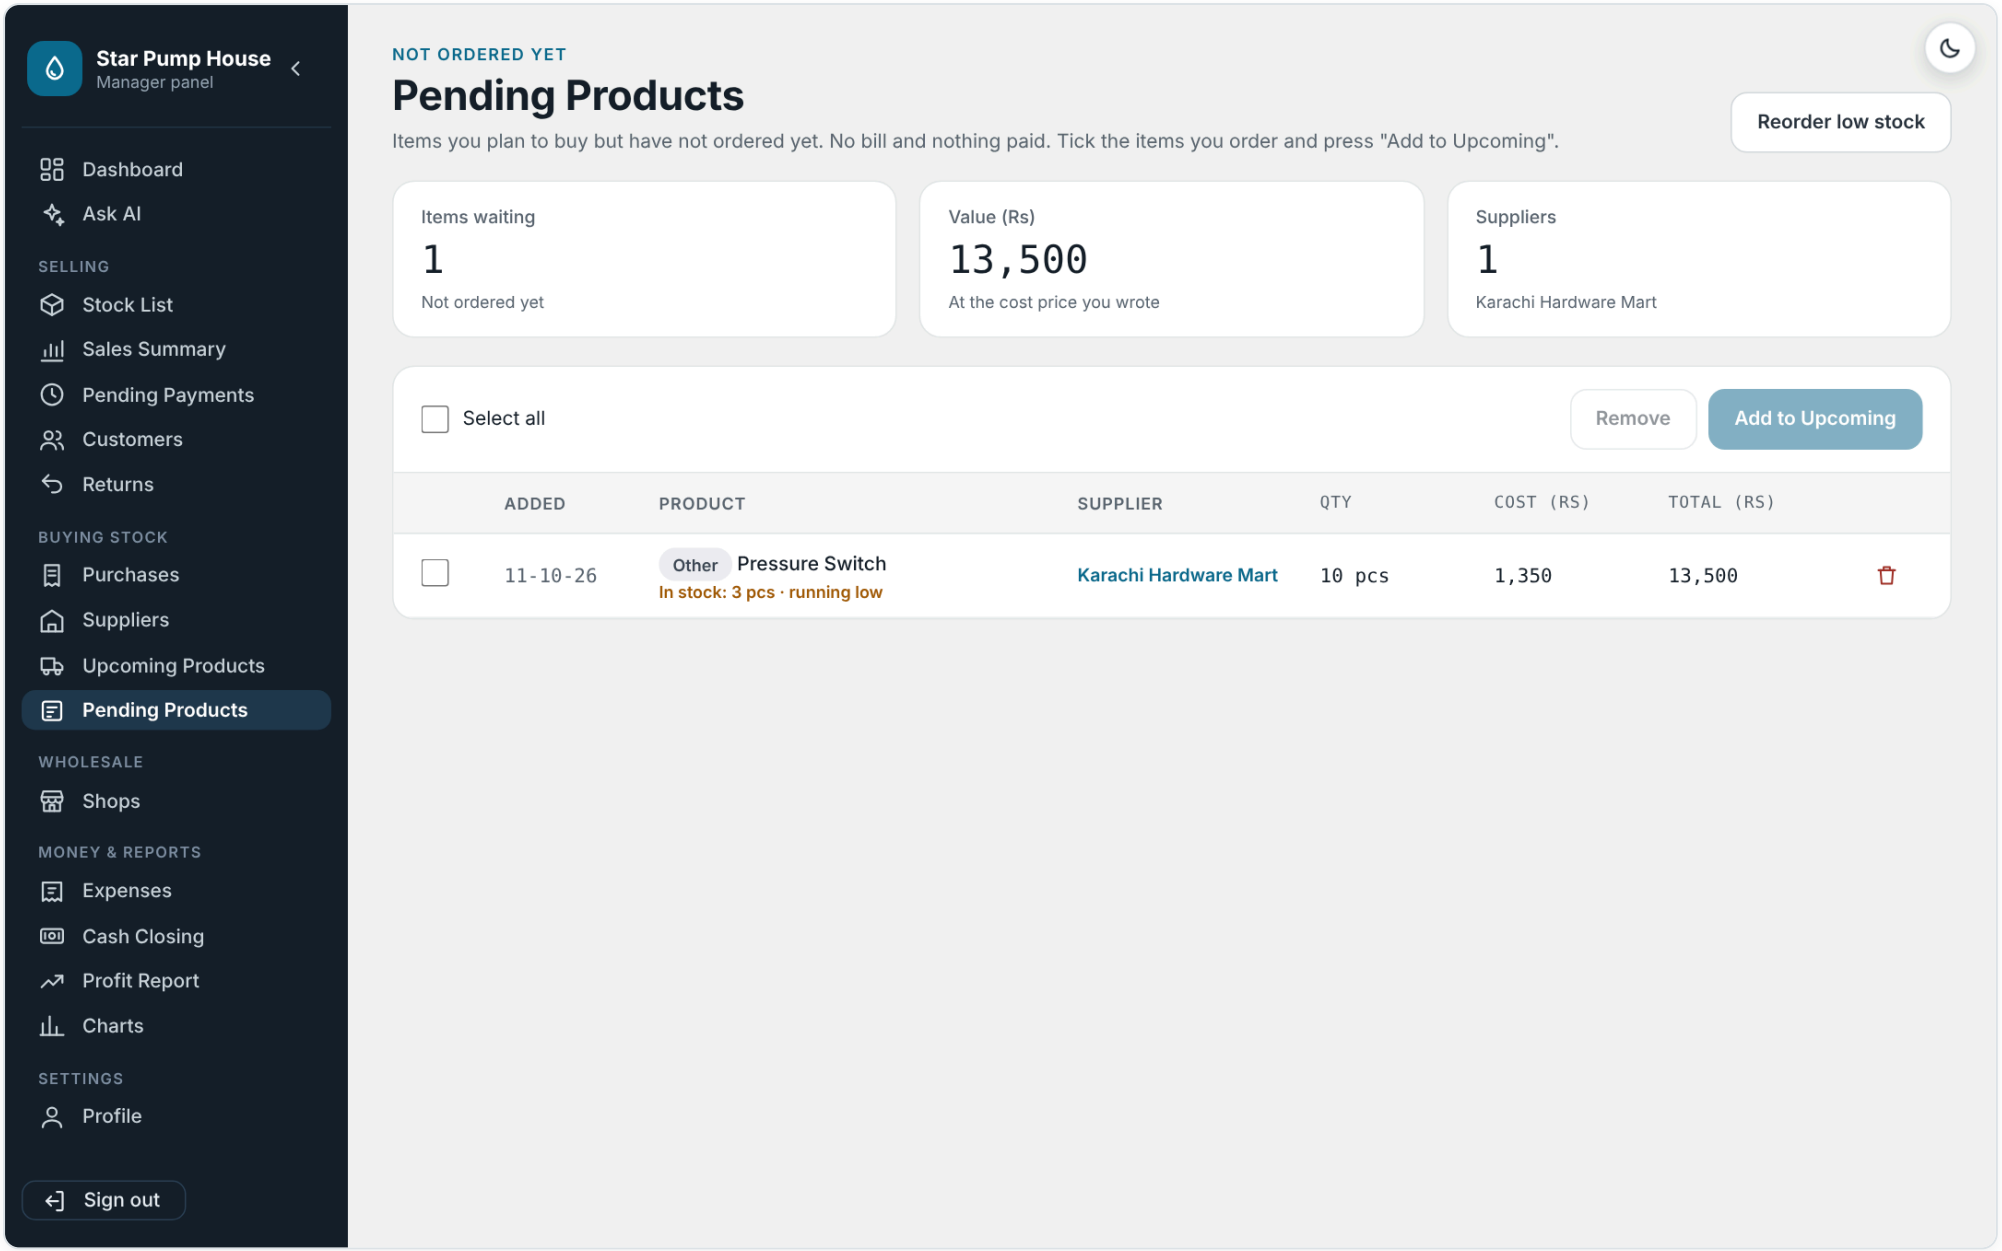

Ordered stock on the way; "Arrived" adds it to the Stock List.

17 Pending Products

Desktop

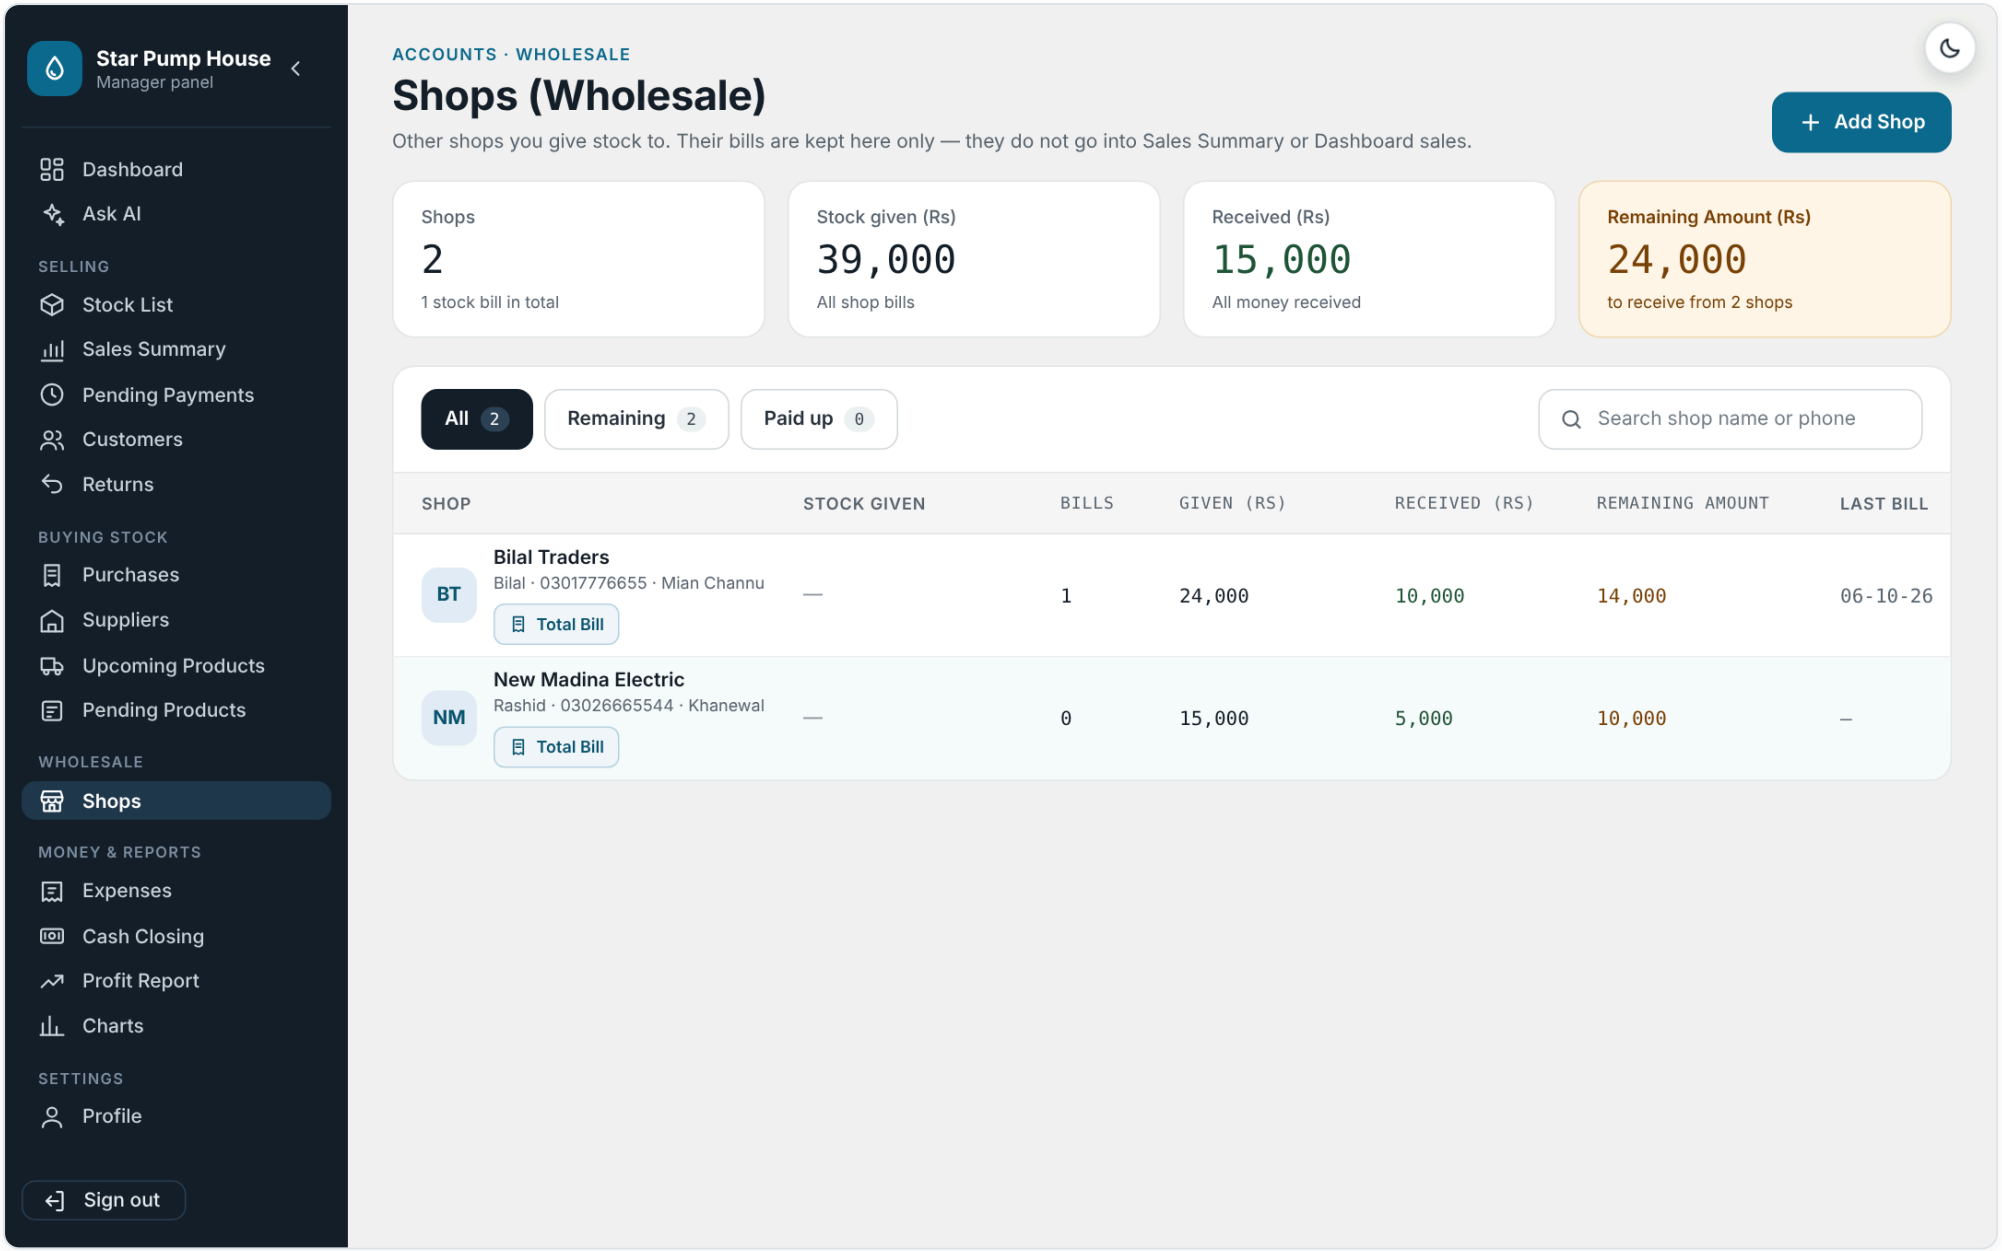

Items planned but not ordered yet.

18 Wholesale Shops

Desktop

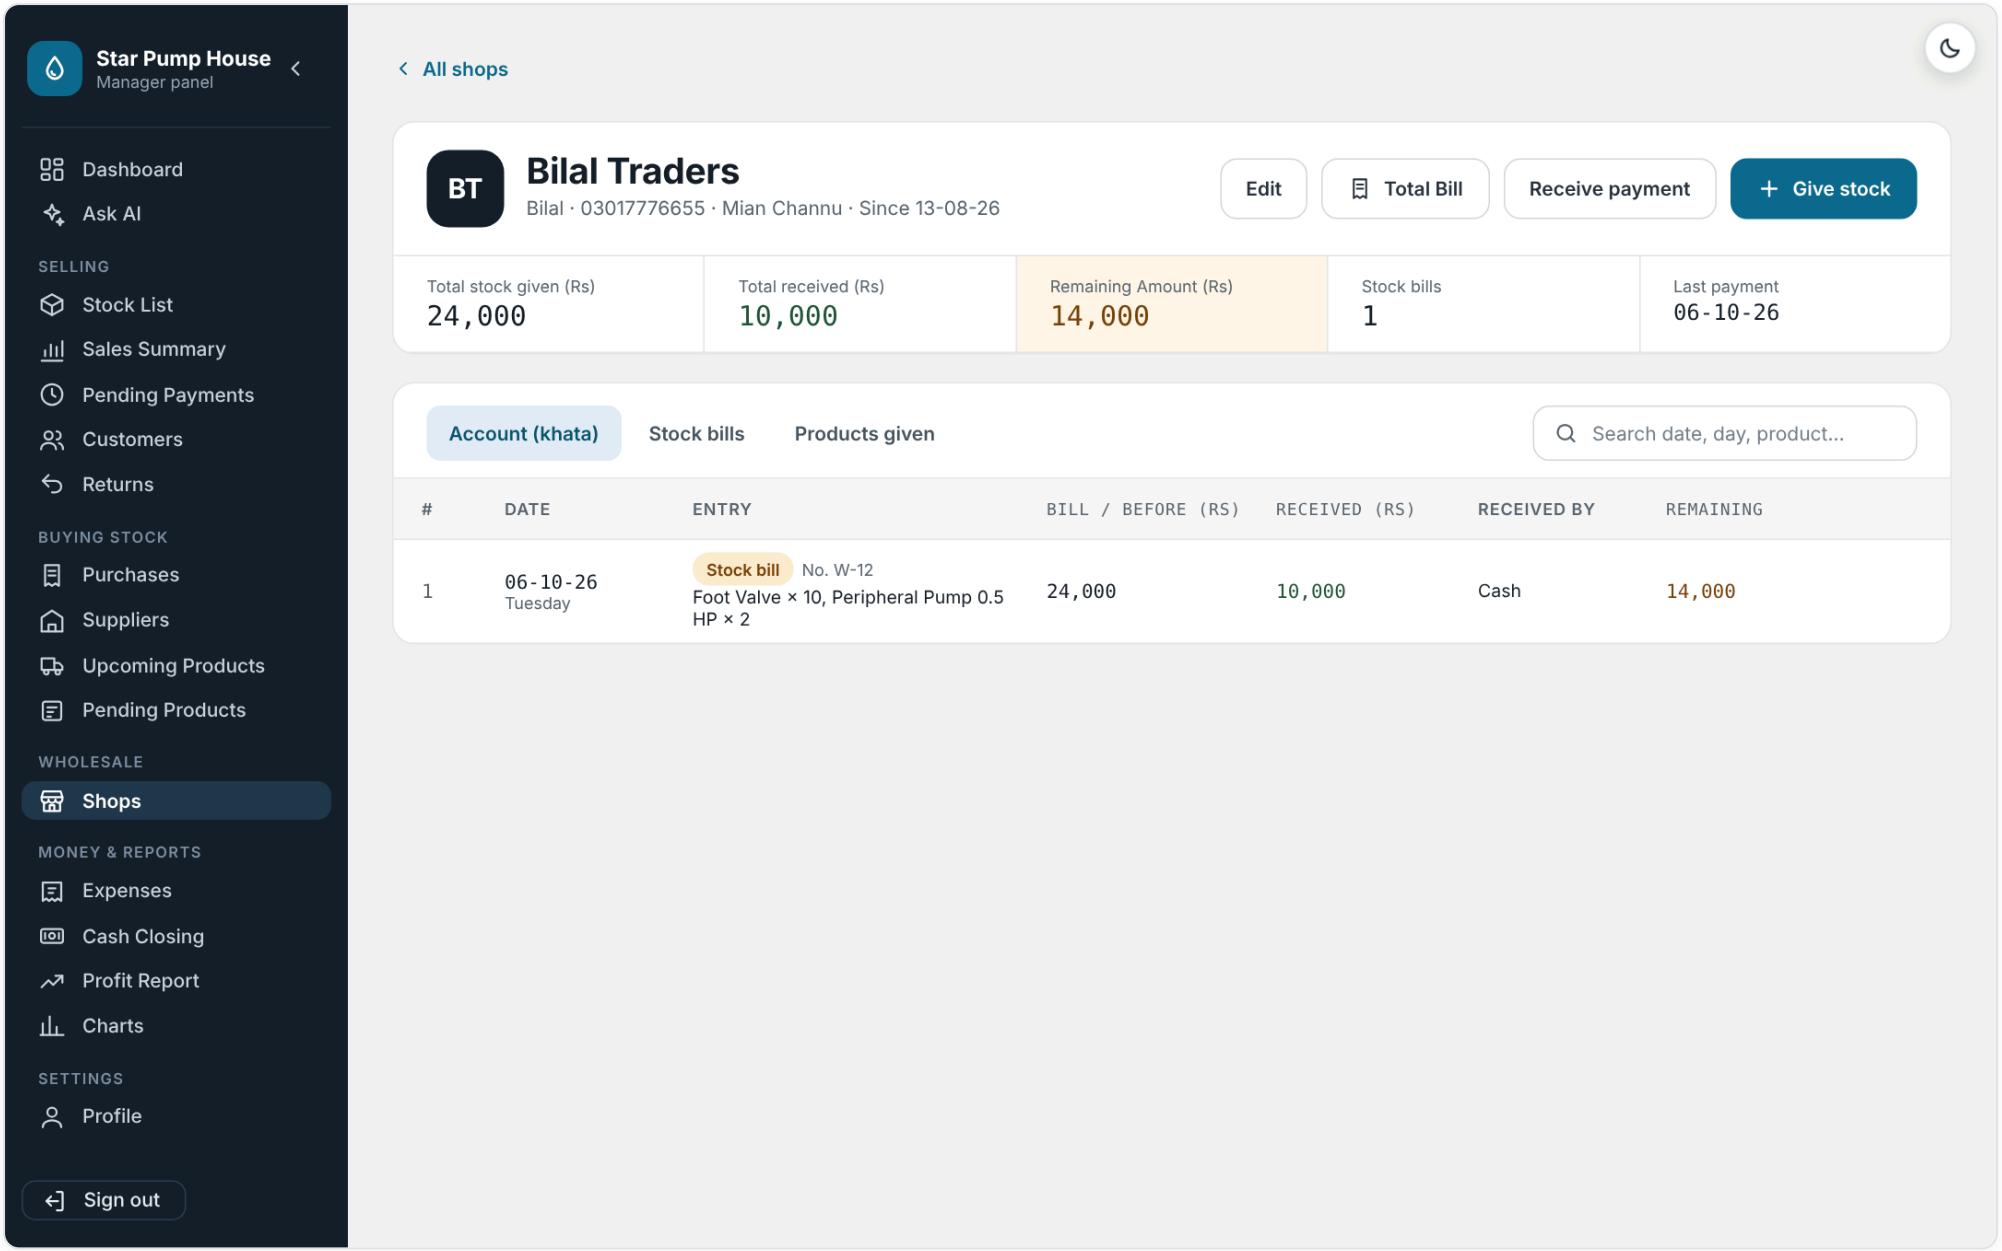

Shops that take stock on account, with balances.

19 Shop account

Desktop

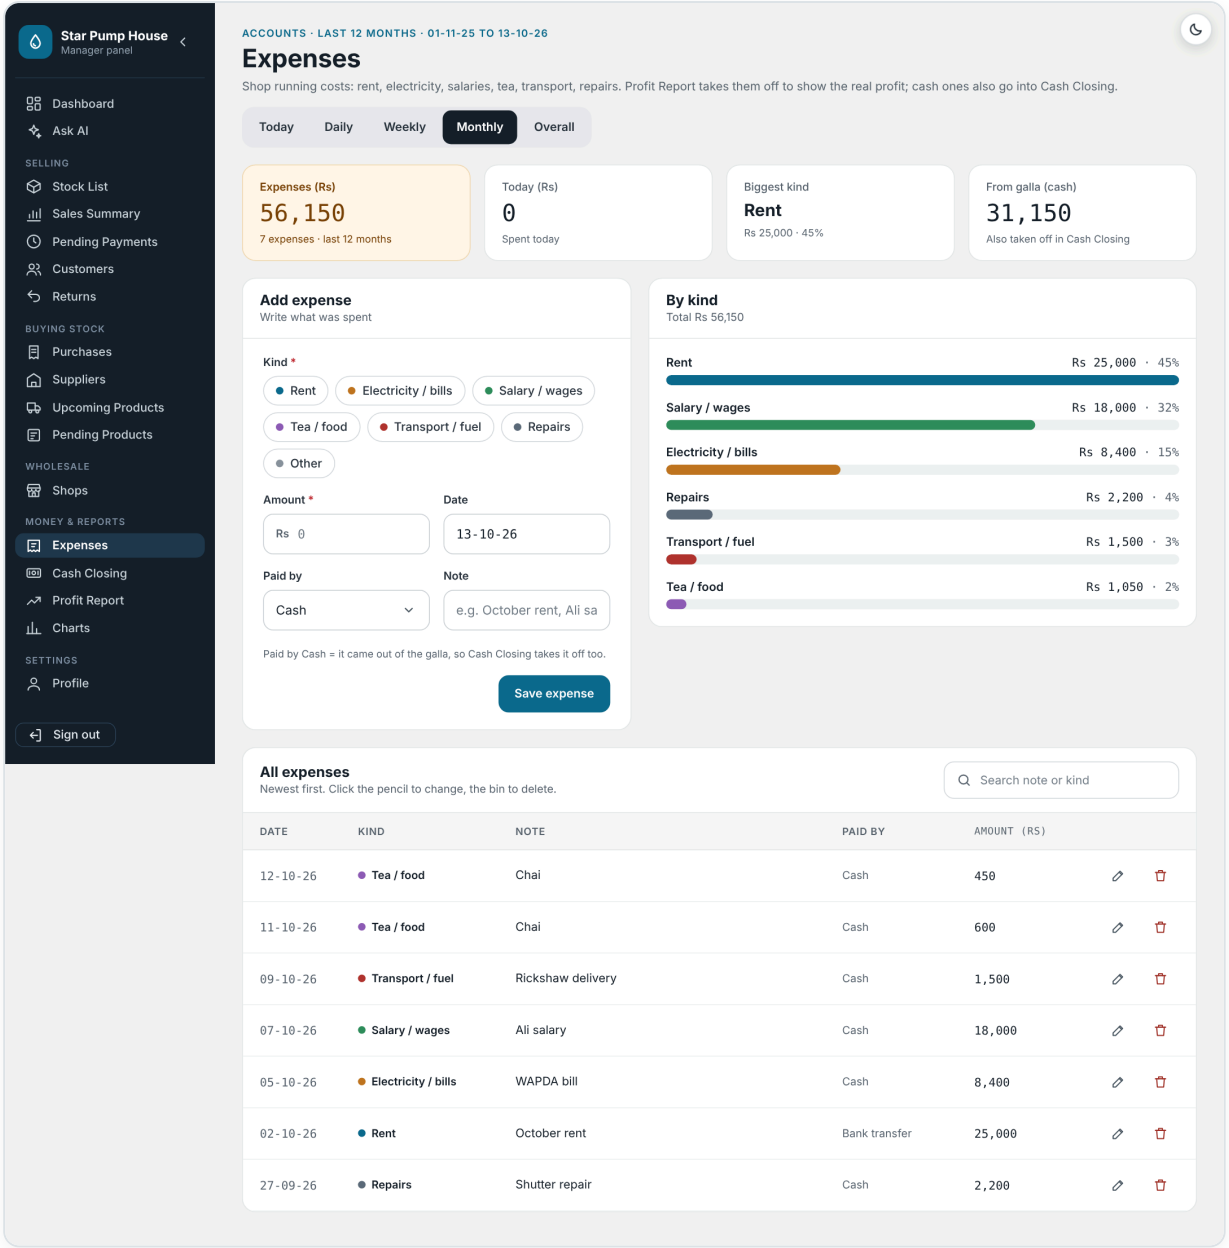

Give stock, receive payments, shop returns.

20 Expenses

Desktop

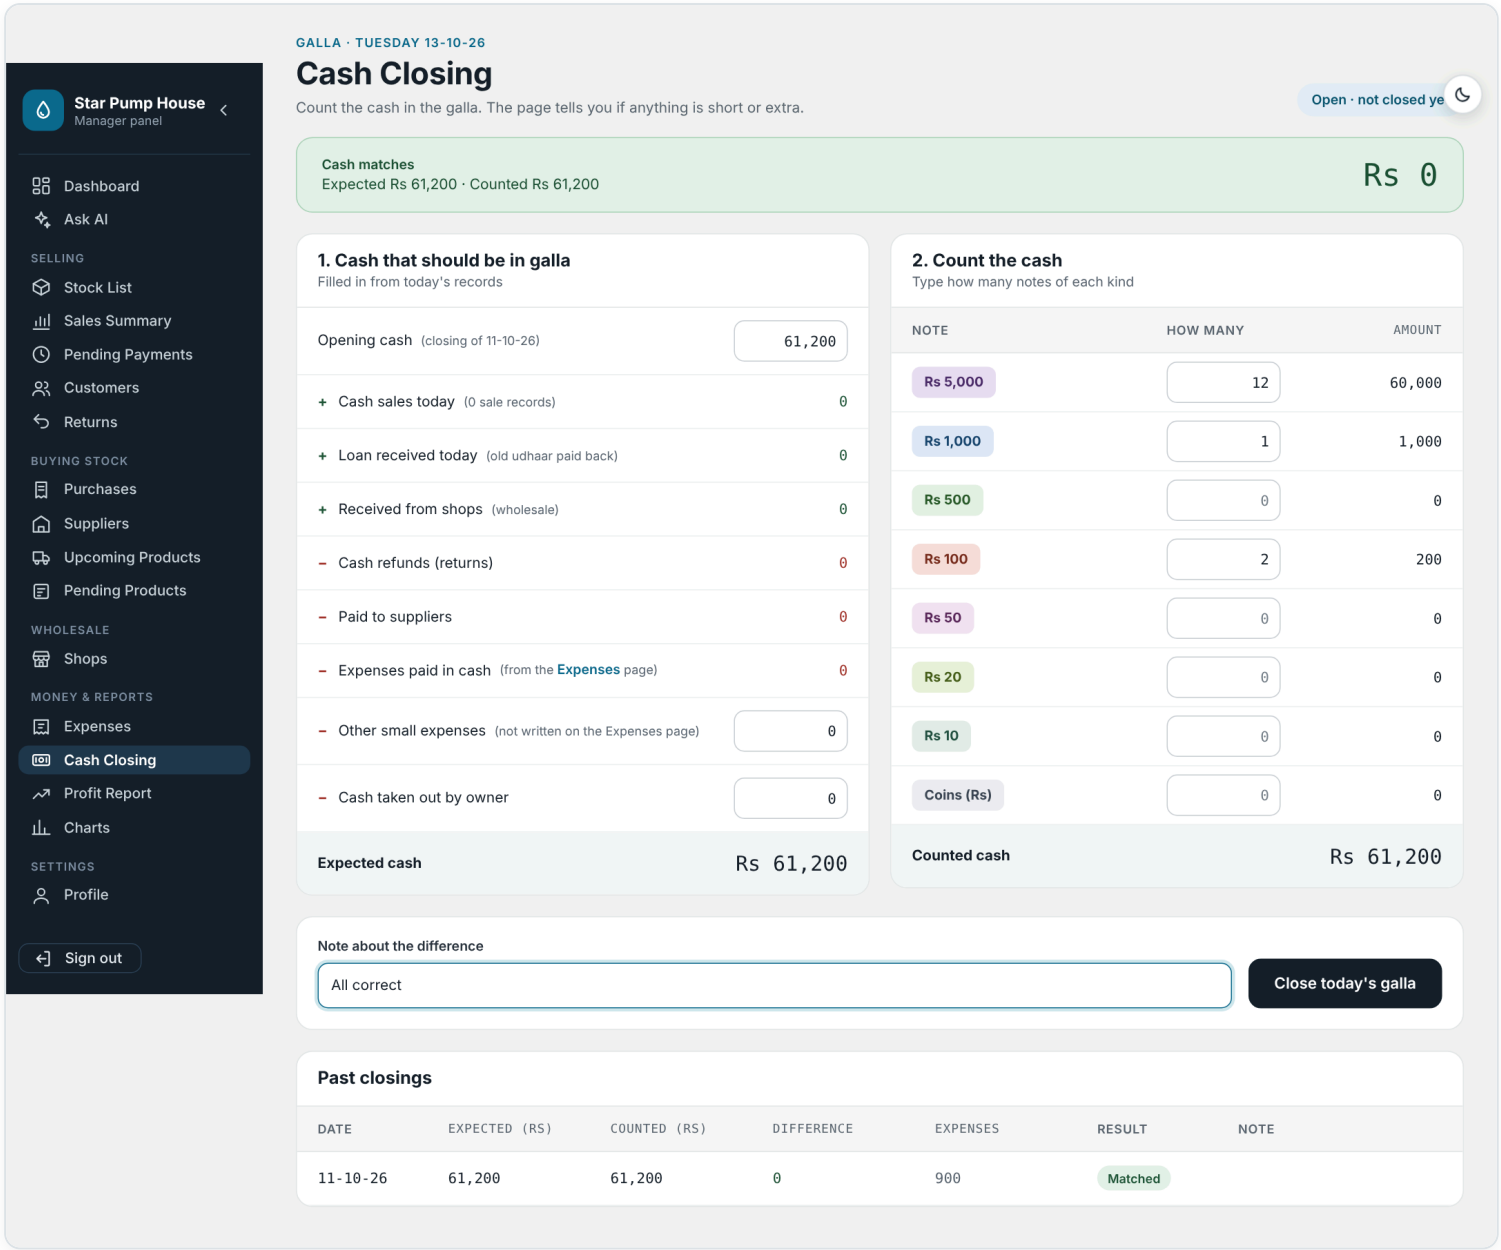

Rent, bills, salary, tea, transport, repairs — feeds net profit and Cash Closing.

21 Cash Closing

Desktop

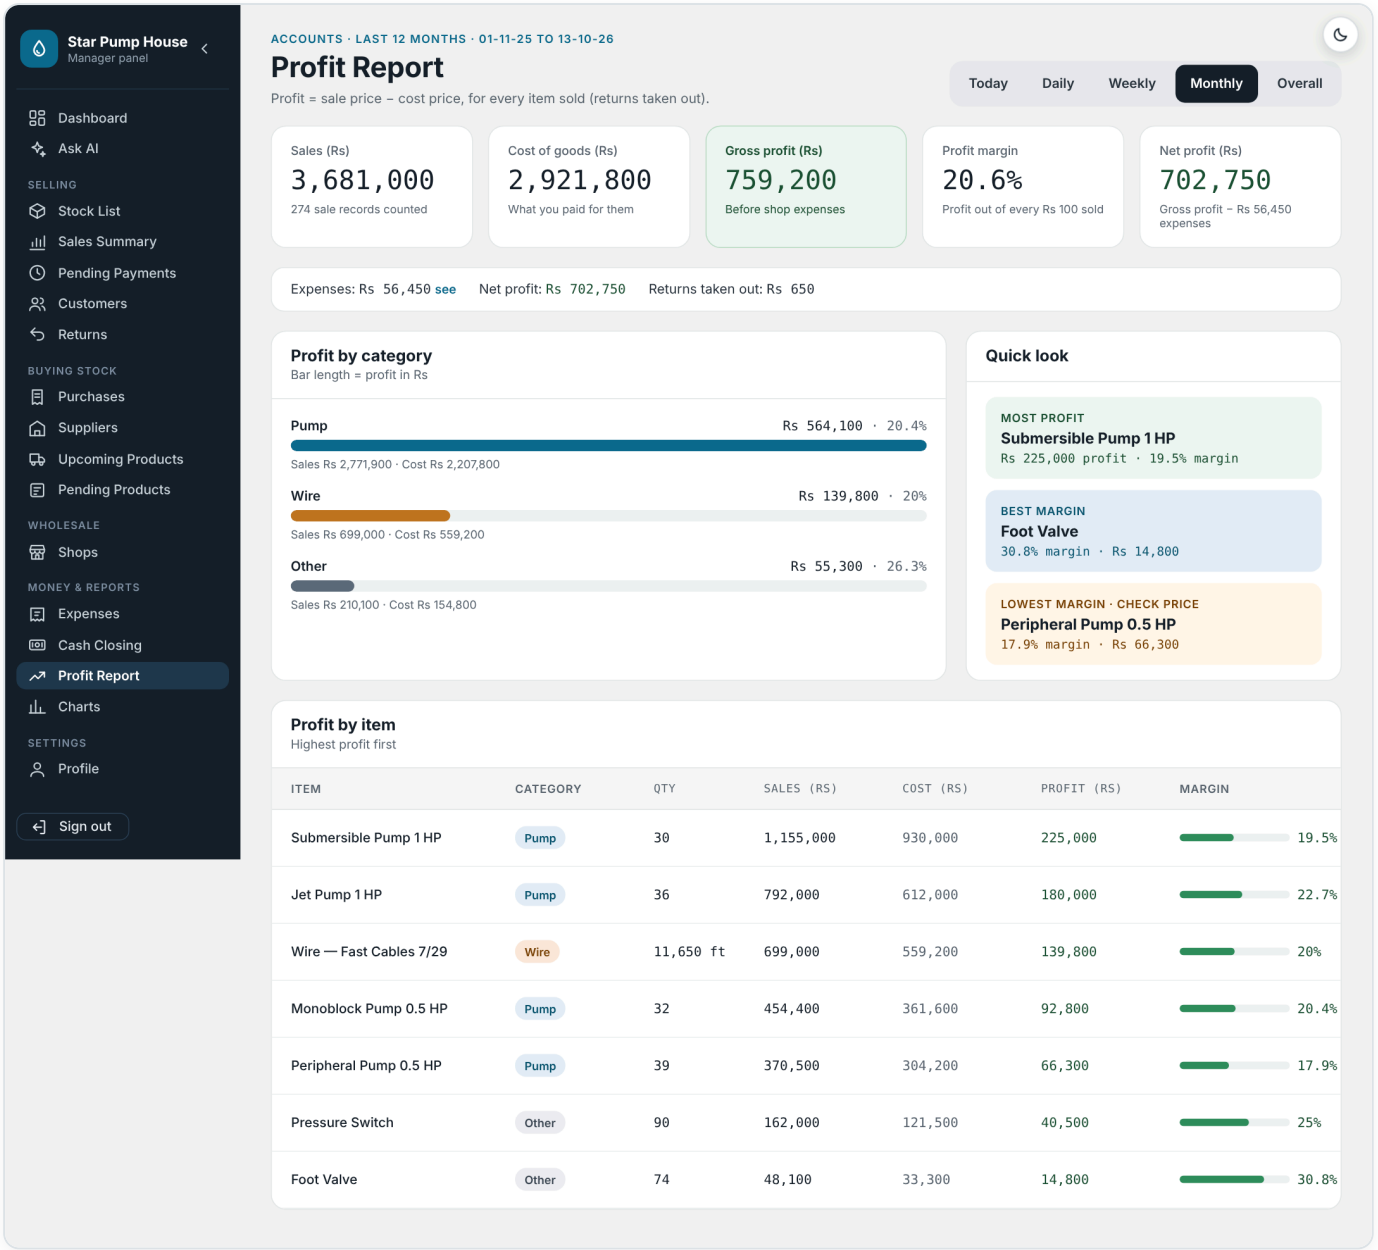

Expected cash in the galla vs counted notes; daily history.

22 Profit Report

Desktop

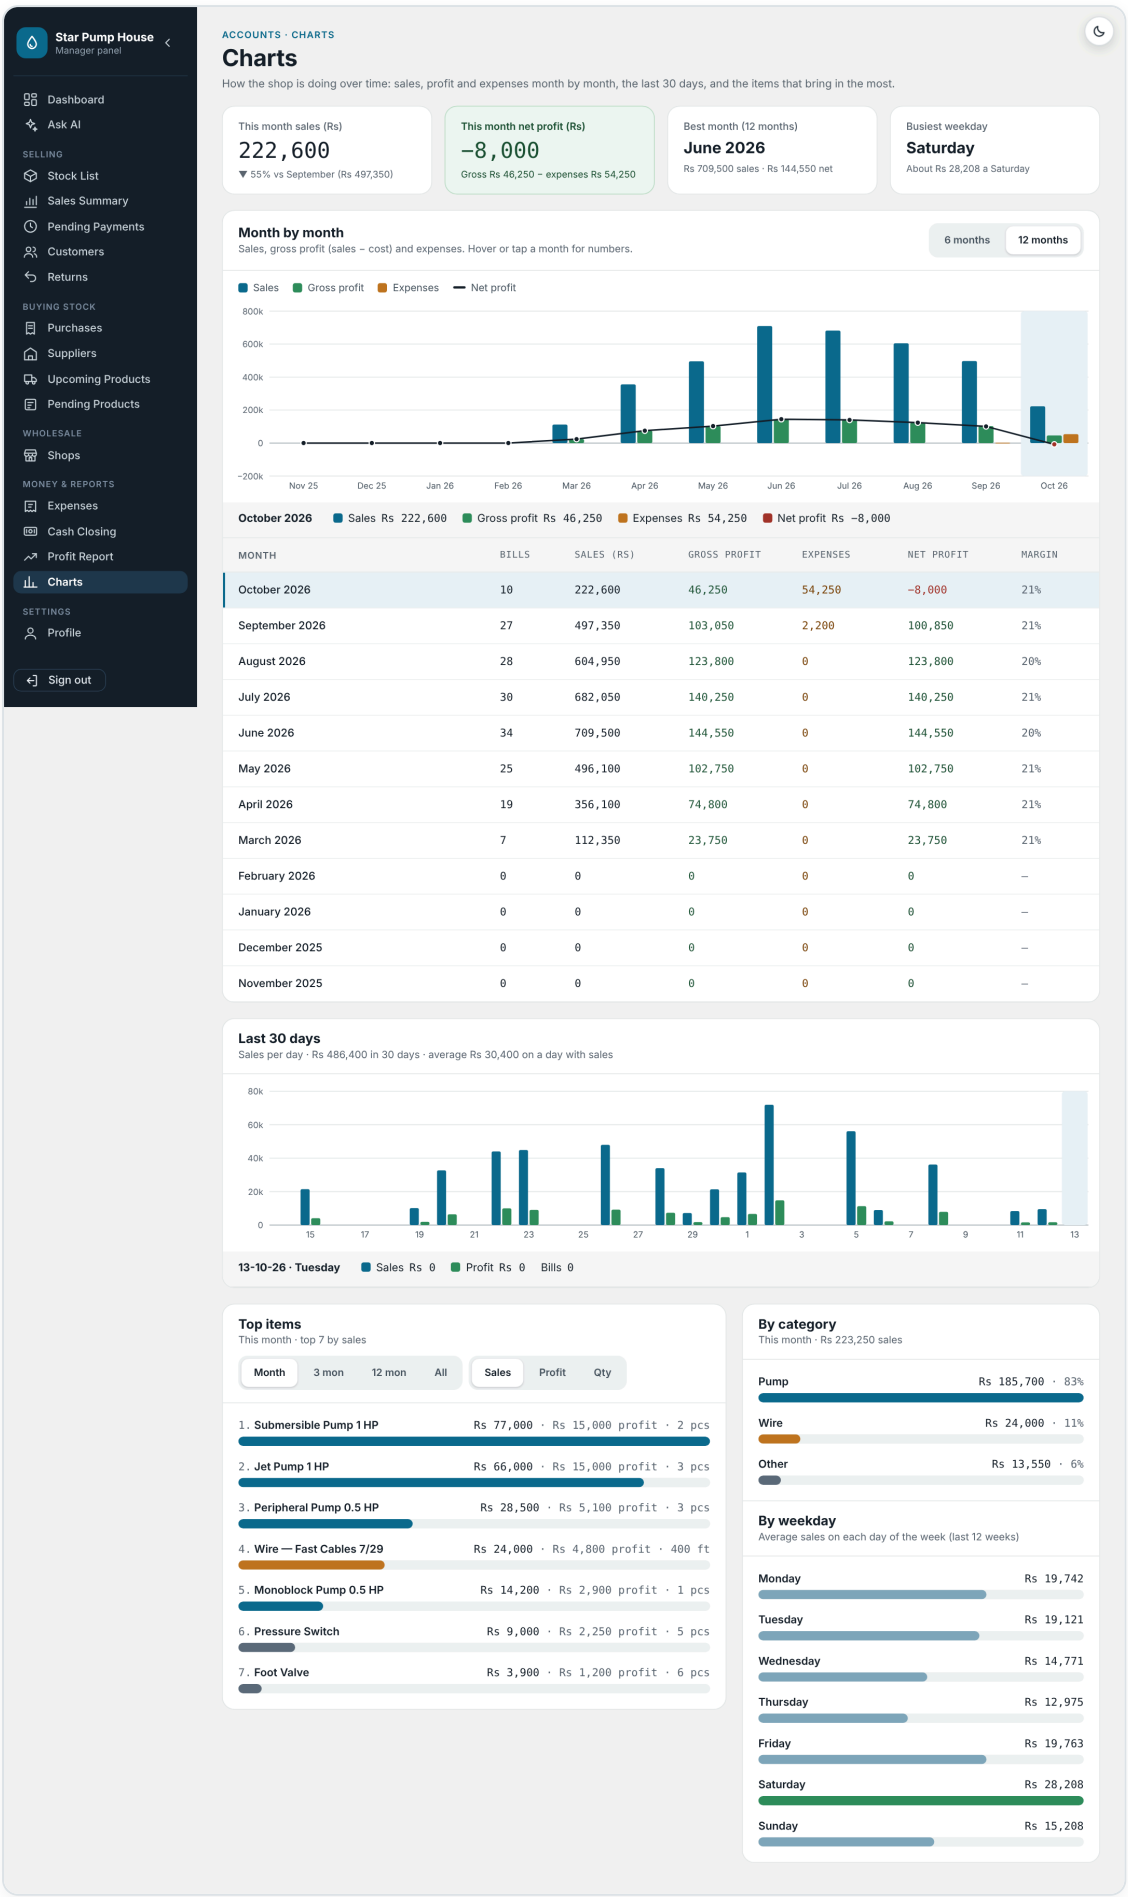

Sales − cost = gross profit; minus expenses = net profit; per item and category.

23 Charts

Desktop

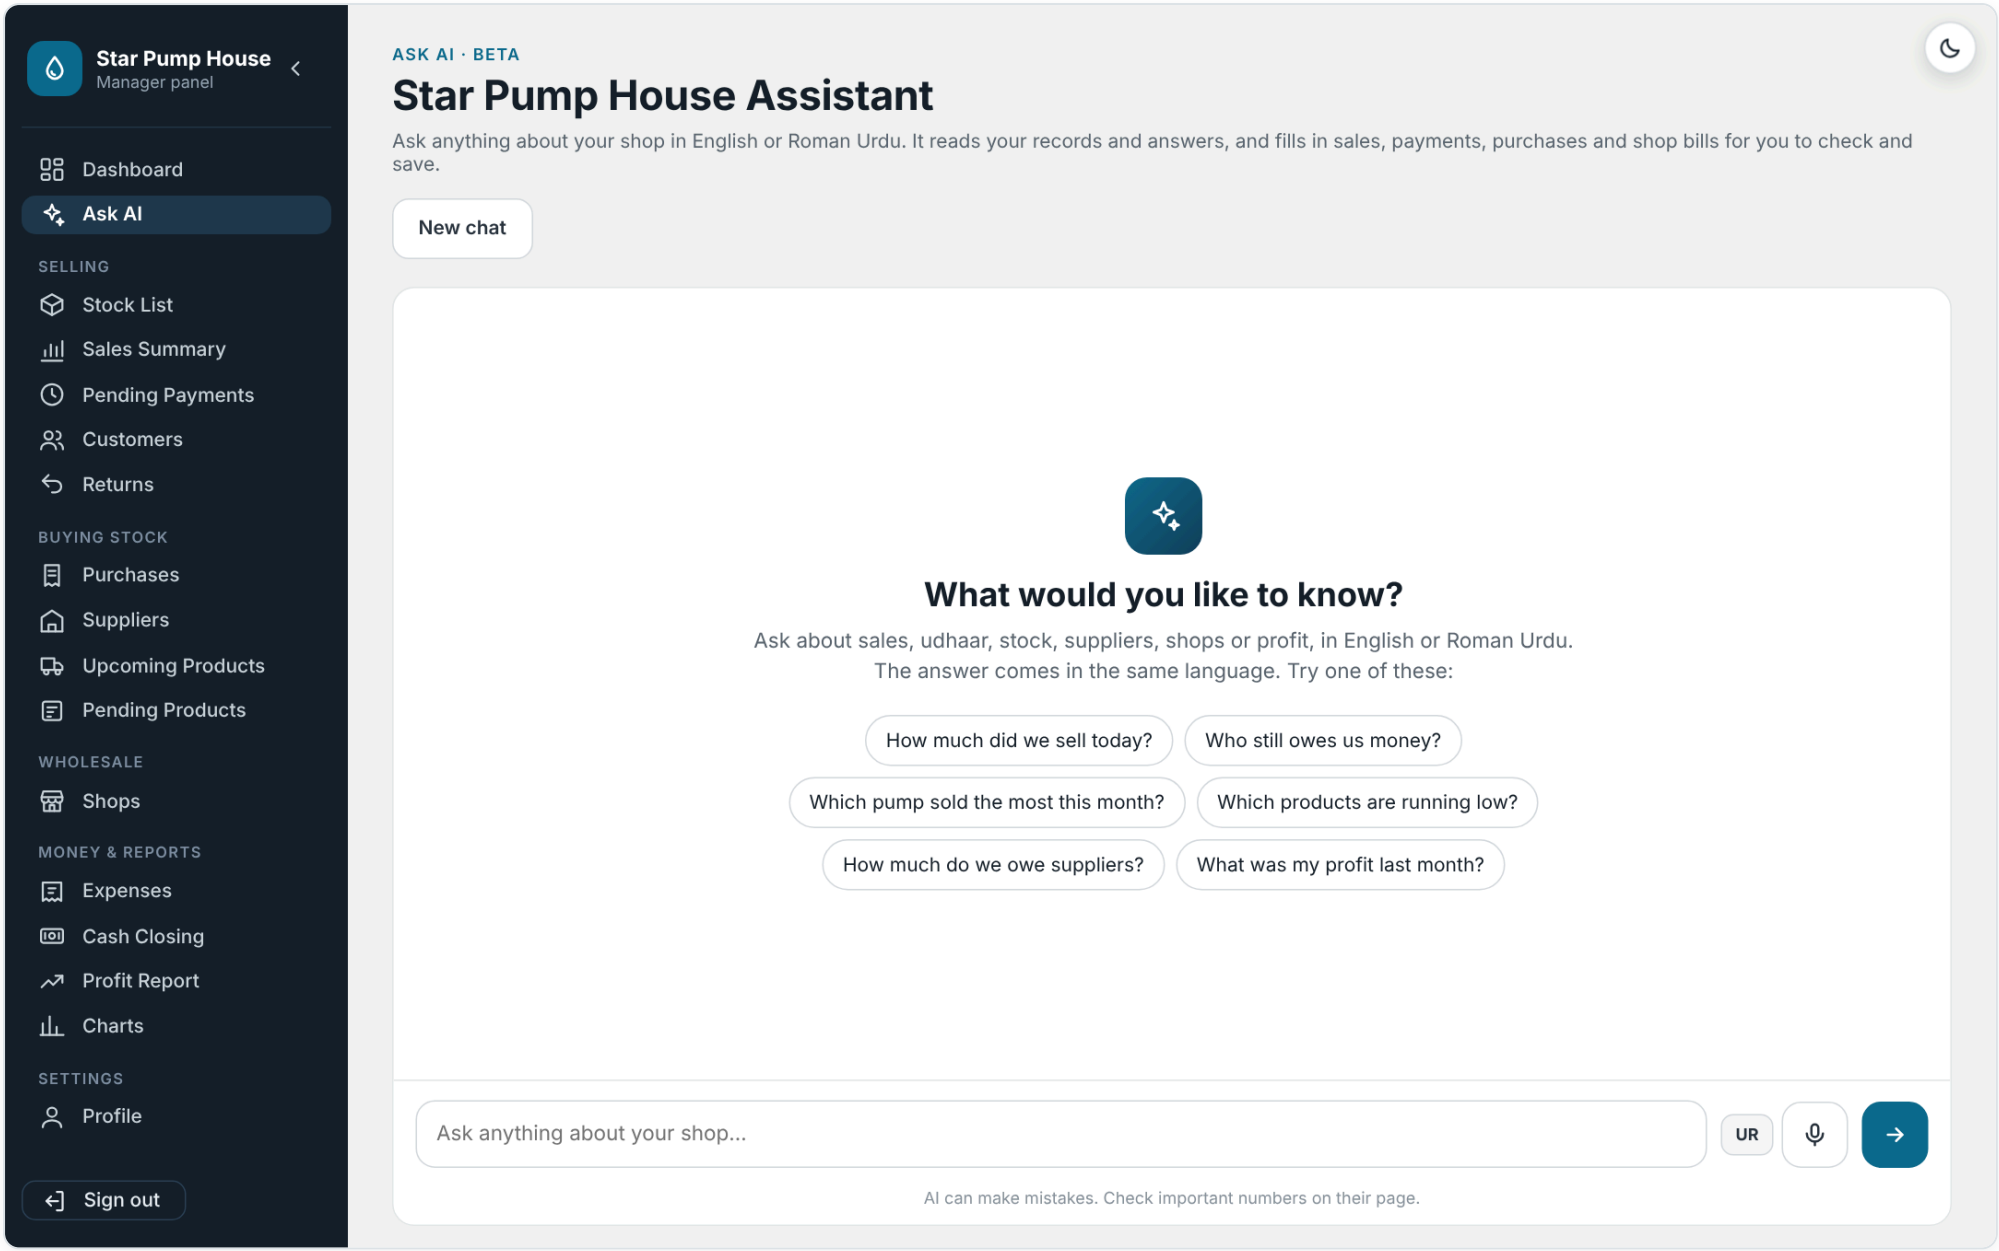

Month by month, last 30 days, top items, categories and weekdays.

24 Ask AI (assistant)

Desktop

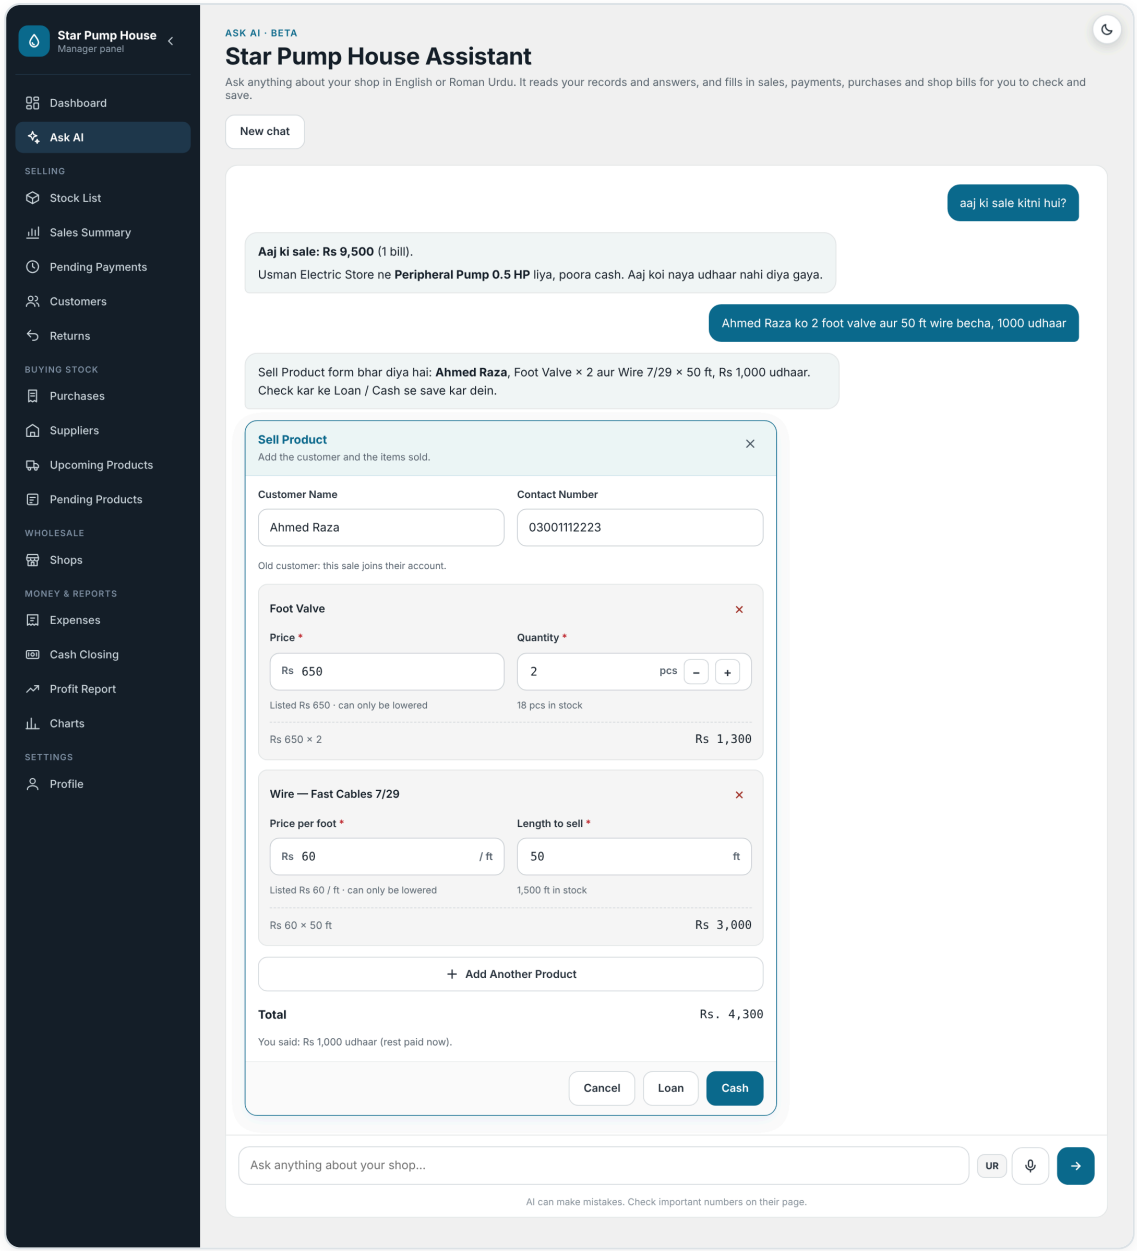

Ask in English or Roman Urdu; voice input; answers from your own records.

25 Ask AI — answers and filled forms

Desktop

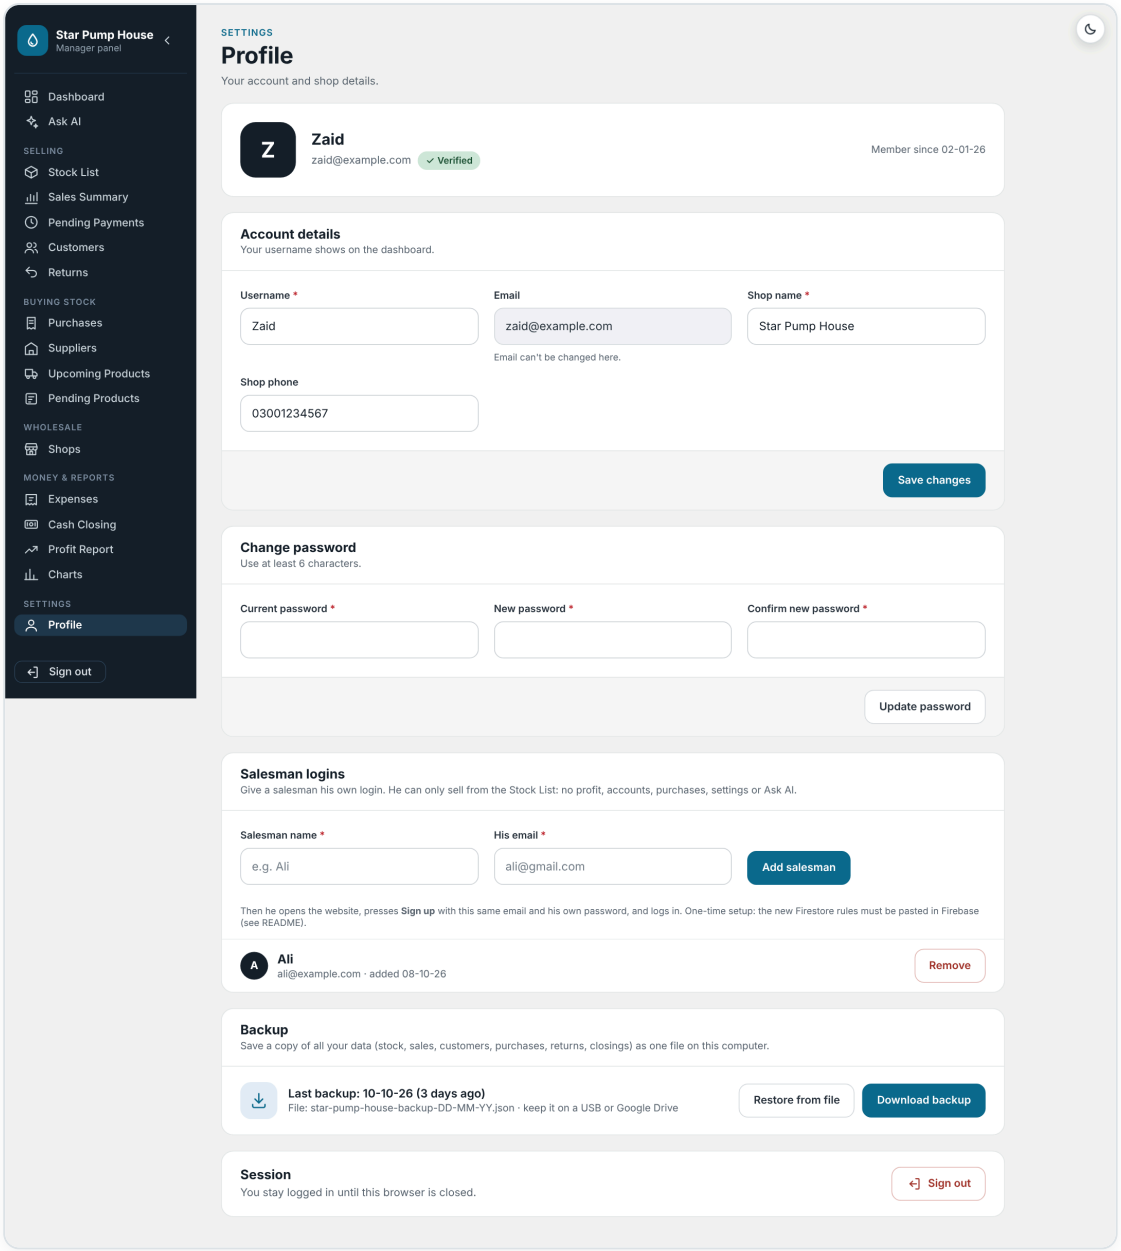

Answers from your own records, and fills the same Sell form for you to check and save.

26 Profile & settings

Desktop

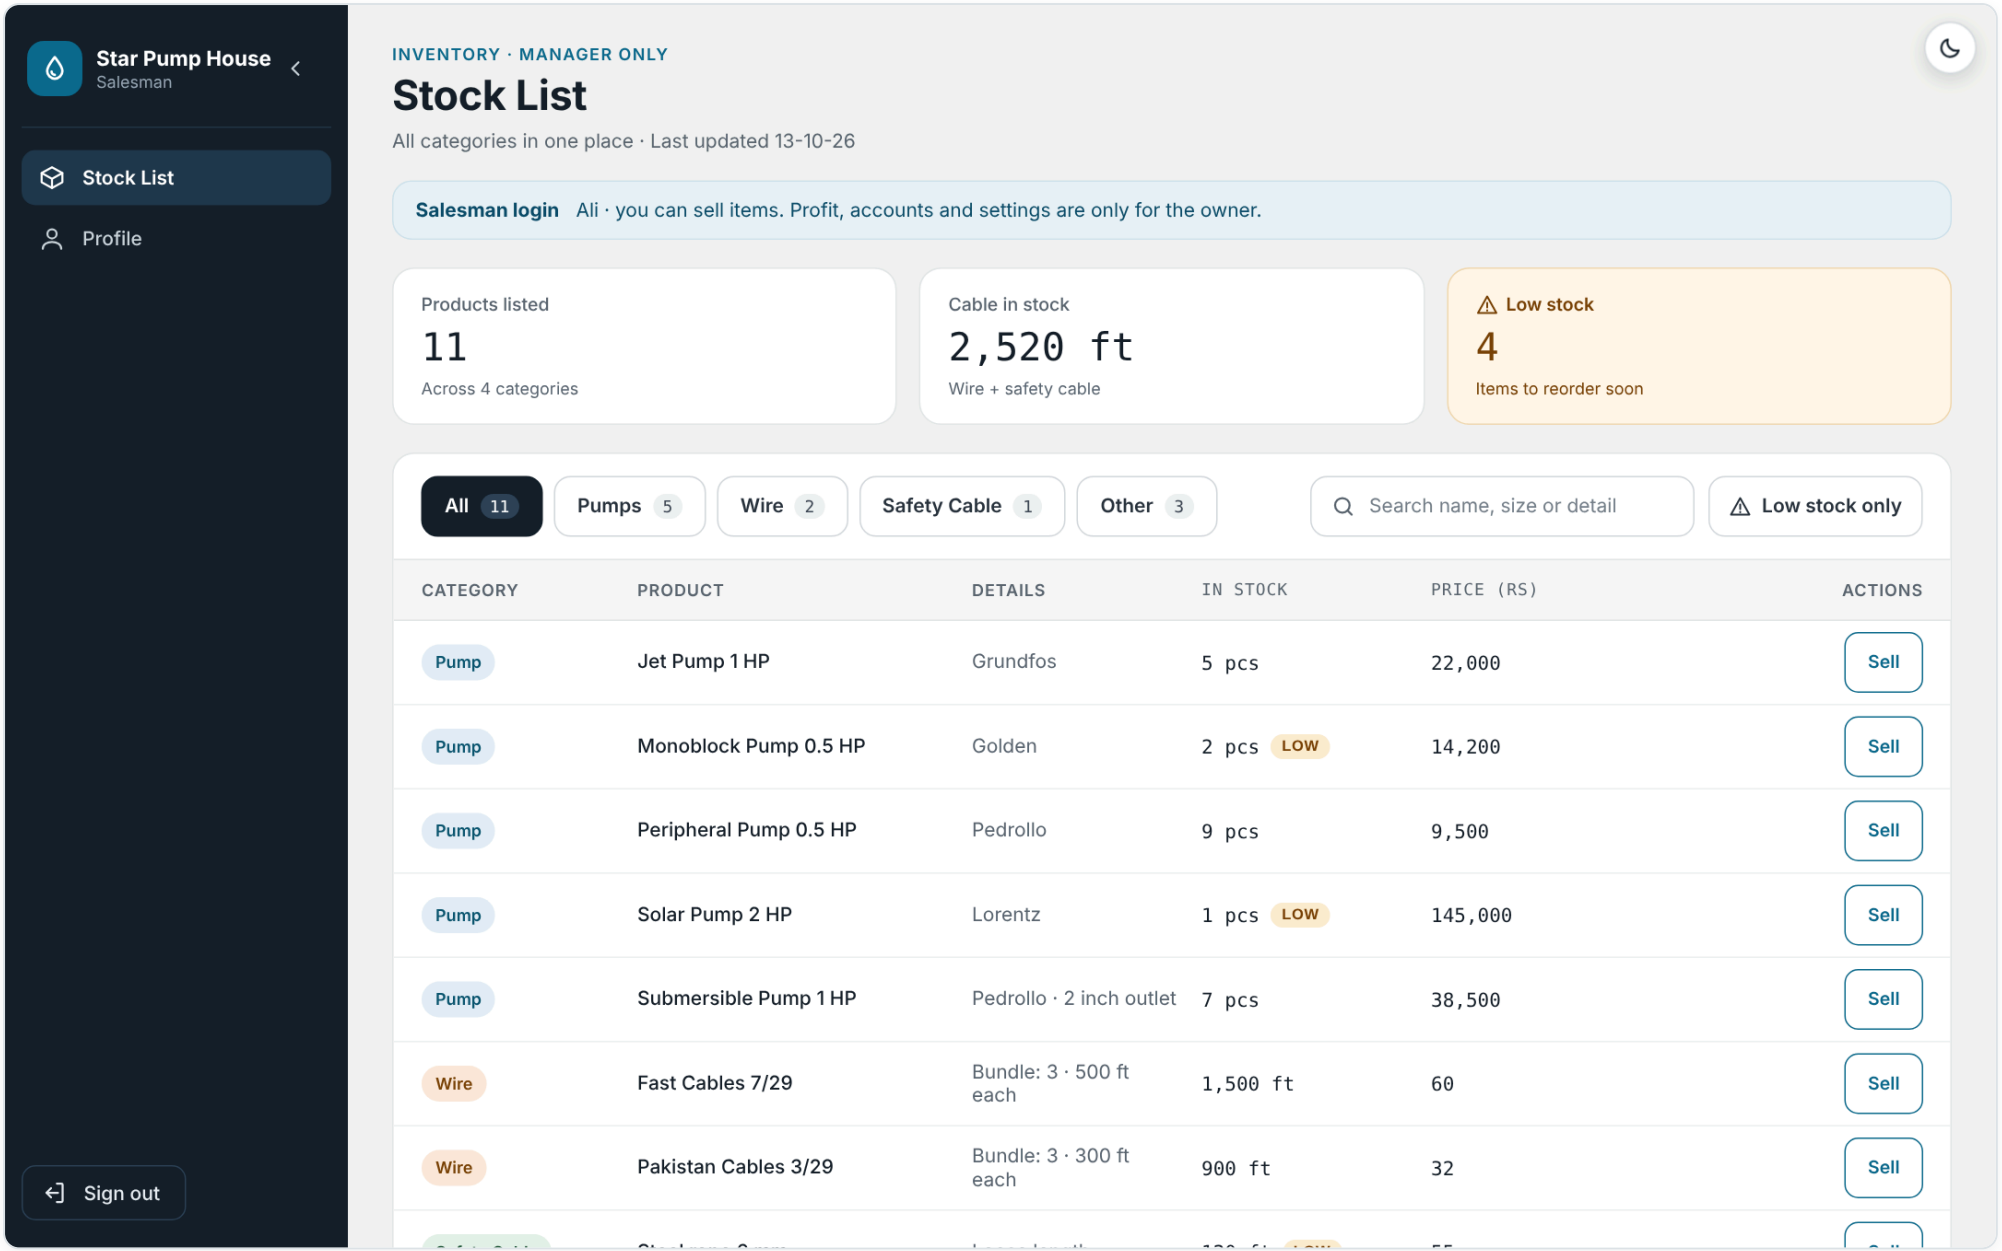

Shop name, password, salesman logins, backup / restore.

27 Salesman login

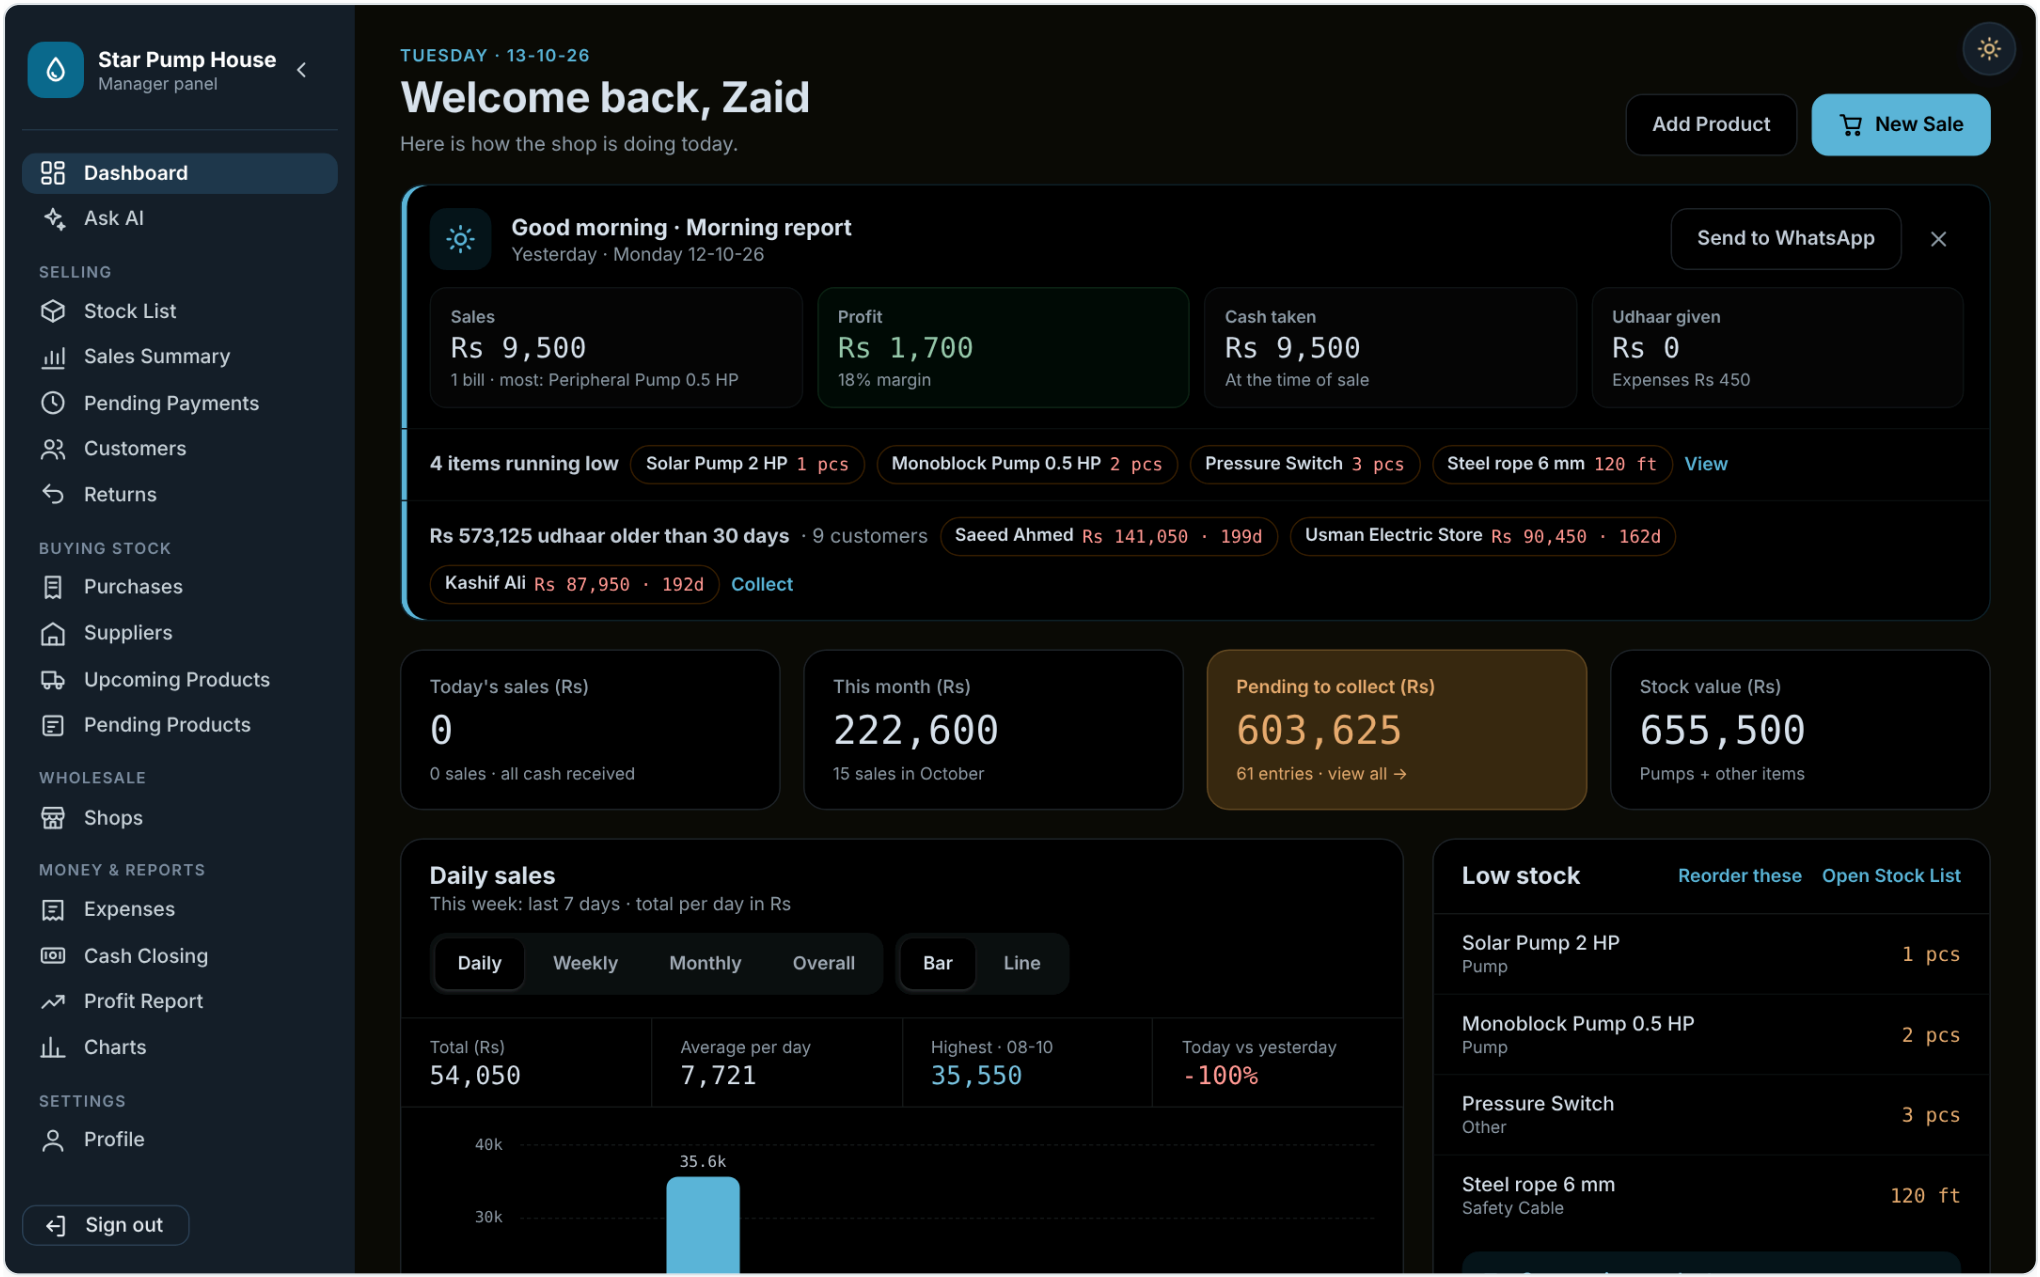

Desktop

A salesman only sees the Stock List and can only sell.

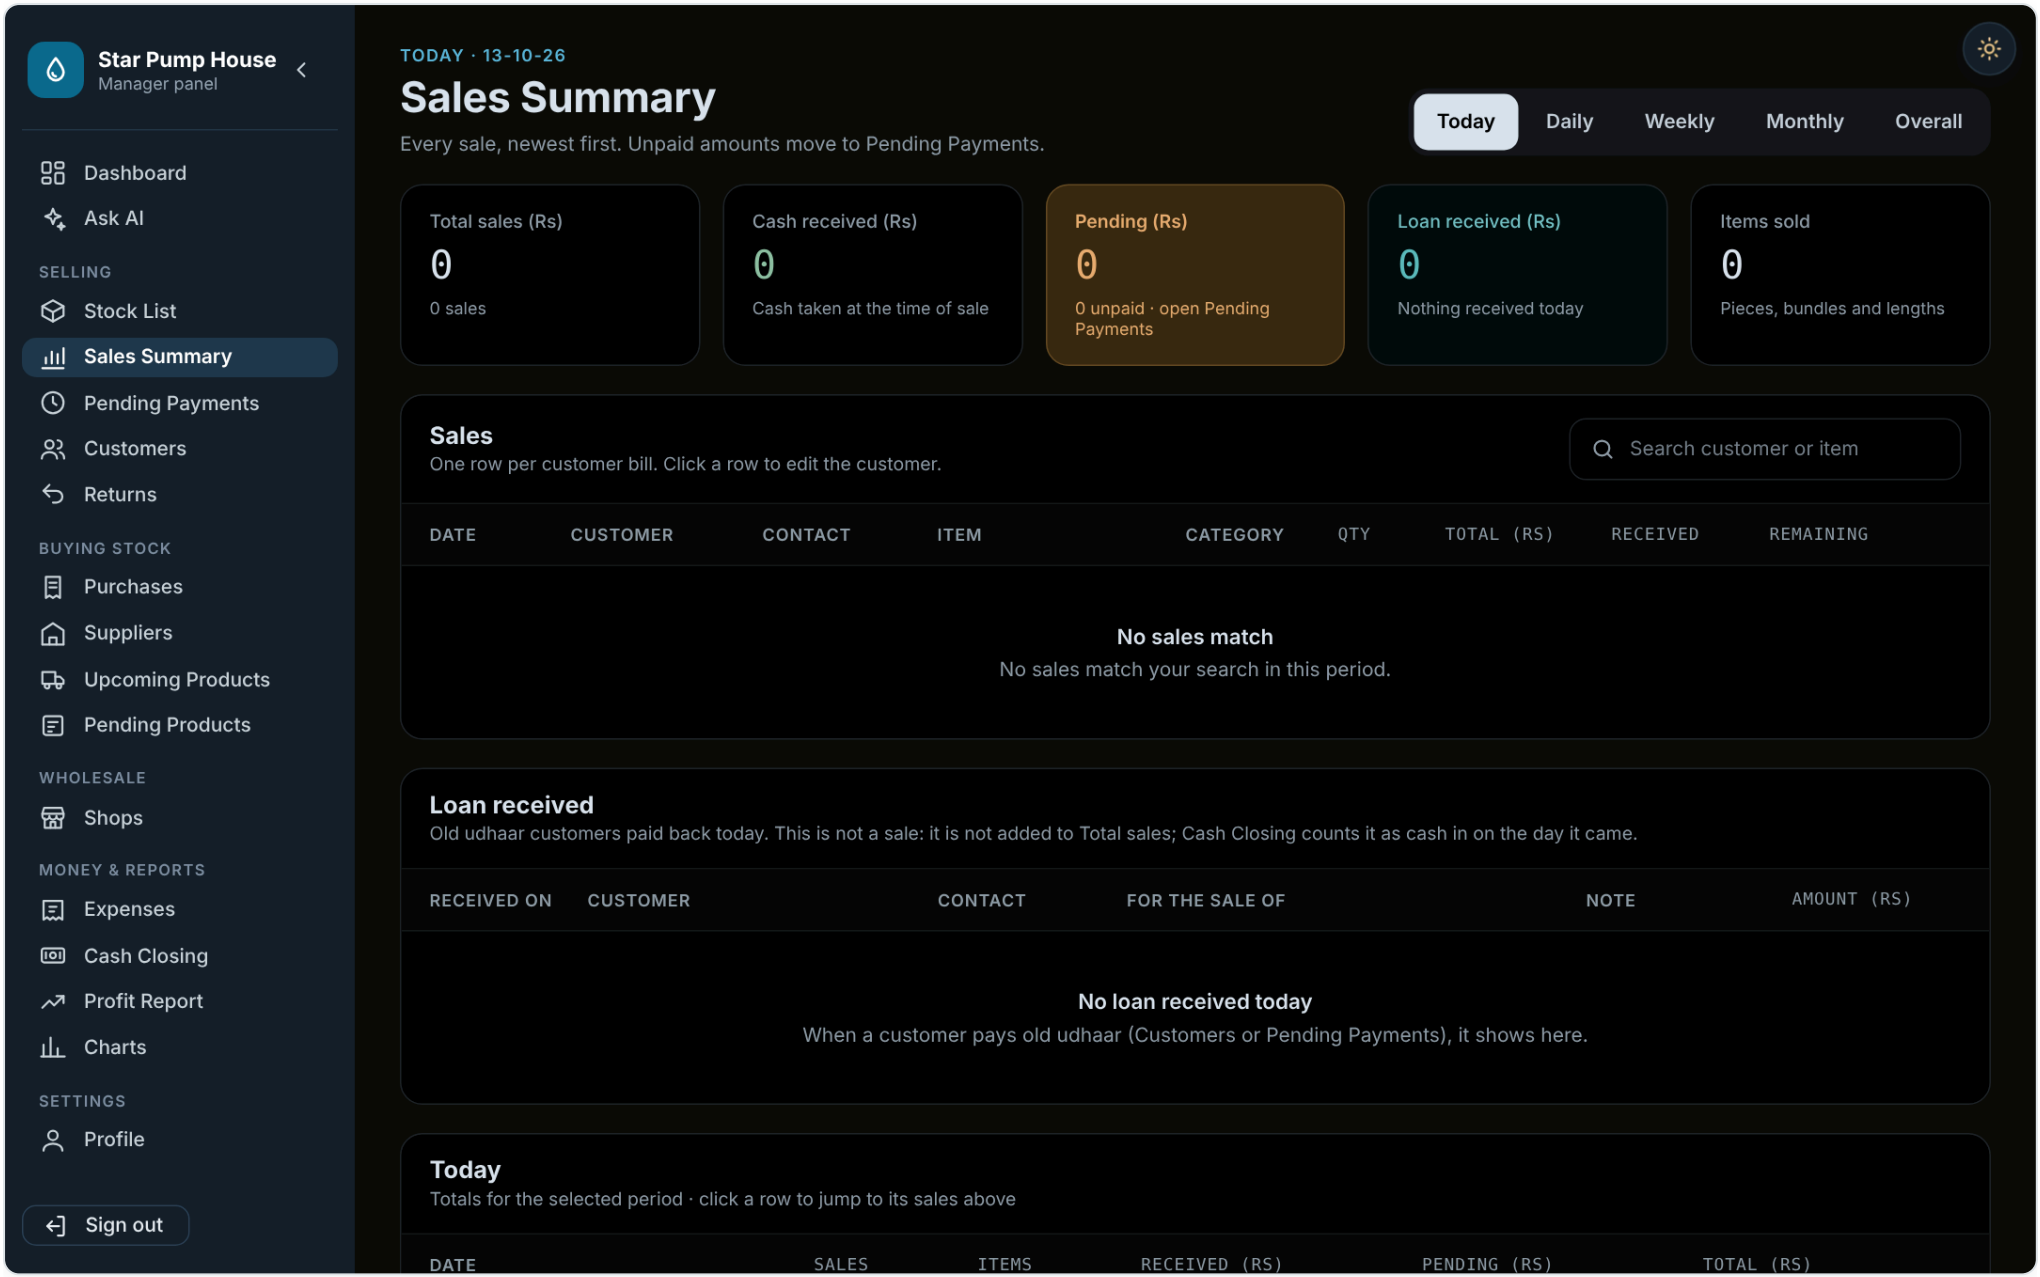

Dark mode

The same app with the dark theme
